

The Merger of Judaism with Christianity

Introduction

“Writing a book is a horrible, exhausting struggle, like a long bout with some painful illness. One would never undertake such a thing if one were not driven on by some demon whom one can neither resist nor understand.”

George Orwell

This *Introduction* contains the background of this present work, and an overview of its contents which we will divide into small parts:

First: Why this Book? **Second:** Why Write? **Third:** Why Warn? **Fourth:** Mega Merger. **Fifth:** No Knowledge nor Understanding of History. **Sixth:** Stolen History. **Seventh:** Honest History. **Eighth:** The End Times Battle over Truth. **Ninth:** Equipping the Saints. **Tenth:** Talmudic Judaism. **Eleventh:** Unholy Prayer. **Twelfth:** First and Second Century Warnings. **Thirteenth:** Winning Back Judaized Christians. **Fourteenth:** War for the Mind. **Fifteenth:** Conclusion. **Sixteenth:** Final Charge.

First: Why this Book

Why would an unknown man seek to write such a controversial book when he is not a well-known theologian, and when he knows he will be dismissed by many as anti-Semitic, anti-Jewish, anti-Zionist, and as a Conspiracy Theorist. Considering the quick condemnation from every area against anything that might be construed as anti-Semitic, this writer, unless the Lord intervenes, believes that the time is coming that any anti-Semitic words will feel the wrath of the state, as well as the wrath of the church.¹

Motivation: The big “hubbub” over the move to recognize Jerusalem as Israel’s capital and move the US embassy there has sparked new “prophetic excitement” in both the Christian and Jewish communities, which will no doubt be quite profitable for both. Trump is seen as “Cyrus” by Jews, Christian Zionists and Dispensationalists, and his move of the US Embassy to Jerusalem is seen by the public as approval to build a Third Temple.²

According to the *Tunes of Israel*, Donald Trump is America’s first Jewish president.³ Did Donald Trump convert to Judaism?⁴ “Kabbalah Krazy! Jim Bakker Promotes Jewish Mysticism and Secret Knowledge. Is the Trump Presidency being held hostage by Kabbalist wizards?”⁵

Many ministries have tapped into this groundswell of support. They've learned that if they highlight end-time Bible prophecy or anything related to Israel, people seem to rally more than they do for other pressing issues, such as the sanctity of life or traditional marriage—or even righteous living, for that matter. Other ministries

have sprung up to take advantage of this newfound interest in the six decades since Israel became a state. As a result, an estimated \$210 million a year flows into Israel-related ministries.⁶

Though Jim Bakker is a leading proponent of Christian Zionism and Jewish Mysticism for the church, there are many more Dispensational ministries following his lead. Not only is the church being influenced by Jewish mysticism, but so is US foreign policy.⁷ The choice of a Fundamentalist Dispensational Baptist Pastor to open the new Embassy with prayer was appropriate, for it was the Dispensational Fundamentalists who put it there. (Trump is very perceptive of the public mood.)

That prophetic excitement motivated this writer to do a serious study on the secular history of both National Israel and the Jews that have taken over history, as modern Jewry claims to be “God’s Chosen People.” But ancient Israel and the Jews who occupied Israel were destroyed by God when he sent Rome against that apostate nation.⁸ However, the Jews’ religion, that is, the religion of the Pharisees, continues today as it increases its influence in the world, *i.e.*, Zionism. The destruction had to take place, for the prophets of old clearly spoke of the New Nation of Israel, and a new people to replace Israel of old.⁹

Second: Why Write

Though this writer is greatly distressed over what he sees in the Judeo-Christian Zionist movement, his intention is not to create ill-will toward those who chose to follow the Jew’s religion, “Talmudic Judaism” nor against “Zionism.” However, St. John identifies Talmudic Judaism and all it entails as antichrist; therefore, we shall let the Word of God exercise his righteous judgment of the doctrines and goals of Talmudic Judaism, including Zionism. Our goal is to offer many sources, Jewish particularly, of those much more knowledgeable than this writer. Our prayer is that the documentation presented herein will cause Christians to realize the openly antichrist nature of the Jews’ religion that the New Testament condemned so soundly. (Rom 2:1) *Am I therefore become your enemy, because I tell you the truth?* (Gal 4:16) So, any hostility concerning what is said below should be directed at the theologians and historians who reveal the innerworkings of Talmudic Judaism and the world-wide goals of Zionism.

Thus, the purpose of this present effort is to warn the church, and to sound the alarm over what is happening to Christianity and to our nation as both church and state join together to support the Zionist’s agenda. Hence, this effort will be limited in its appeal. However, we do hope to spark enough interest to motivate the average Christian to seek to understand the times; that is, these last days in which we live.¹⁰

These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so. (Acts 17:11) Let us therefore, as many as be perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you. (Philip 3:15)

Third: Why Warn

Why warn when people do not want to be warned? **Because** those who see danger are responsible to warn, or the blood of others will be on their hands. Most Christians are generally familiar with Ezekiel 3:19, Ezekiel 33, Romans 1:32, and a multitude of other verses, so **why** would one challenge accepted church and public policy and warn about something that is not generally perceived as a danger to the faith? **Because** God condemns

⁹ The new Israel of God is clearly identified by Paul in Romans and Galatians as those who are Jews inwardly, *i.e.*, circumcised heart, Col 2:10.

¹⁰ 1 Chronicles 12:32 *And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do;...*

silence, particularly out of fear what man might say or do. He judges righteous judgment, Psalms 50. Are we not told that those who see dangerous situations approaching must warn, for they shall give an account to God for their actions? (1 Chron 12:32)

Many may say, however, that they see no danger, but neither ignoring nor denying the danger can relieve of responsibility. What will we say to the Master when we are called upon to answer as to why we remained silent when we knew of deceits being perpetrated upon God's people by professed Christian leaders who promote and finance antichrist, Judeo-Christianity and its various goals? Will not God judge righteous judgment in that day, Romans 14:12? In addition, this writer knows of no requirement that one must be "a prophet nor a son of a prophet" to apply the Word of God to what is obviously taking place.¹¹

Admittedly, it takes both the desire and time to search history and write about it. This writer readily admits that he is simply a man who perceives a danger according to the Word of God. His goal is, by God's enabling grace, to make truth known to God's people. Talmudic Judaism's *hidden things of dishonesty* are not hidden in the light of God's word.¹²

For with thee is the fountain of life: in thy light shall we see light. (Ps 36:9)

All who read, study and believe the law-word of God should be able to see and understand the corruption of the glorious doctrine of Jesus Christ taking place within the Kingdom of God. Corruption or compromise comes from every corner imaginable, but as we shall see, of particular concern are the inroads of the Jews' religion and Zionism into the Gospel Church. The problem of the Jews' religion was a major problem to the first century church, and continues to be today. Every perceptive child of God should have as his goal the defense of and the advancement of the faith of Jesus Christ, which was once delivered to the saints; the faith upon which this nation was founded.¹³ That faith was delivered by particular prophets sent by God and written down for our edification and instruction. (Jude 1:3) The faithful preaching of the gospel of the Son is the only means by which the gates of hell will yield to Christ.

Those of us who have been in the ministry over the past 50 years have observed a very disturbing trend, particularly among those who follow the Dispensational faith; that is, the Zionizing or Judaizing of the church. Forty years ago, we never heard of Judeo-Christianity, Christian Zionists, nor any Judeo-Christian heritage in US history. We realized that this nation was primarily founded by Calvinistic, Protestant Christians who sought the Glory of God through Jesus Christ. When the term Judeo-Christianity first came into use, we understood that Judaism and Christianity could not be mixed. We shall examine how history has been changed by expert "memory merchants" have created a believable yet false history. That manufactured history is now taught almost everywhere, particularly in the public educational institutions. The constant barrage of the term "Judeo-Christianity" has overwhelmed the general population. Attaching the word Christian to antichrist Judaism has resulted in believing a lie is true. Talmudic (Orthodox) Judaism loudly and proudly proclaims that it is anti-Christ; it makes no secret of its hatred for God the Father and his Son, Jesus Christ. Yet Judaism is being welcomed into the "Christian" community with open arms.

Fourth: Mega Merger

It appears that very few Christians realize what is taking place as Israel and the US are being merged together. Evidence of this merger was apparent at the CUFI (*Christians United For Israel*) Washington Summit of 2019. Speakers who heaped praise on Israel included Mike Pence, Mike Pompeo, David Friedman, John Hagee (CUFI

Today on TRUNews we discuss the hellacious heresies being spewed from the Christians United For Israel 2019 Washington Summit, including the damnable lie that Christianity needs Judaism to exist and that Jews do not need Jesus Christ to attain salvation. ...¹⁵

We shall see how many who profess the Christian faith are being persuaded to embrace the followers of the Jews' religion—the religion of the Pharisees—as “brothers in the faith.”¹⁶

What faith? Which faith? It surely cannot be the Christian faith as is defined in the total of God's law-word. We must ask with Paul, *What fellowship hath righteousness with unrighteousness? And what communion hath light with darkness?* How can one justify from God's word any support of, fellowship or communion with an openly satanic religion?

Fifth: No Knowledge nor Understanding of History

The average Bible-believing Christian in the United States knows very little about post-New Testament Judaism. He may be vaguely aware that American Judaism is divided into three theological wings: Reform (liberal), Conservative, and Orthodox. He may also be aware that European Judaism has two great ethnic branches: the Sephardim (those whose ancestors once lived in Spain, Portugal, or the Eastern Mediterranean) and the Ashkenazic Jews (those who came west from Russia and Poland), who were the Yiddish-speaking Jews in the late 1800's and early 1900's, prior to their linguistic assimilation into American culture. But as to how these Jewish groups overlap, or which group dominates Judaism either in the U. S. or in the state of Israel today, the average Christian has no idea. Few Christians have heard that there is a third branch, Oriental or Yemenite Judaism (North African), members of which have long complained that they are discriminated against politically in the state of Israel.¹⁷

This writer realizes that what will be covered in this effort is highly controversial, for the facts go against all generally accepted Fundamentalist Christian teaching of the past two centuries concerning the Jews, and a Jewish homeland in Palestine, i.e., Zionism. Those who have been taught by respected Christian Zionists will find it difficult to accept what is presented herein. Not being a historian, but a preacher, this author cannot hope to match the academic standard of the several referenced authors. His intention is to give more than enough history to document the facts, and urge the reader to follow through in areas he might question. There is an overwhelming amount of supporting evidence not referred to herein for the conclusions reached in this work.¹⁸

As we shall see, history tells us that in 70 AD when Rome destroyed ancient Israel—that is, the children of Jacob—Rome did not disperse those who were left in Palestine. All who were not taken prisoner back to Rome, crucified, slaughtered, sent to the mines or sold into slavery were allowed to remain in the land. That is, the

Growing out of Pharisaic Judaism, Rabbinic Judaism is based on the belief that at Mount Sinai, Moses received from God the Written Torah (Pentateuch) in addition to an oral explanation, known as the ‘Oral Torah,’ that Moses transmitted to the people.”

people left in the land after 70 AD were the actual lineage of Jacob, *i.e.* biblical Israelites. (The Arabs are from Shem, as Abraham had two sons.) The Palestinians are what was left of the ancient children of Jacob after 70 AD. In other words, Rome did not disperse the Israelites (very few were of Abraham's blood line in the first century),¹⁹ and both the "Old Hebrew Israelite race" and the ancient Nation of Israel have been lost to history.²⁰ Because of the heavy taxation by the Muslims who later possessed Palestine, those left by Rome, *viz.*, Palestinians, converted to Islam to avoid the tax.

The findings of physical anthropology shows that, contrary to popular view, **there is no Jewish race**. Anthropomorphic measurements of Jewish groups in many parts of the world indicate that they differ greatly from one another with respect to all the important physical characteristics – stature, weight, skin color, cephalic index, facial index, blood groups, etc.²¹

The above is the accepted view today among anthropologists and historians. Moreover, there is general agreement that comparisons of cranial indices, blood type, etc., show a greater similarity between Jews and their Gentile host nation than between Jews living in different countries.²² Though all physical evidence for the last two hundred-and fifty-years show "there is no Jewish race," Fundamental Dispensational Christianity has been captivated with the manufactured idea of a continuation of a biblical Jewish race and nation.

Sixth: Stolen History

All Jewish festivals commemorate events in national history: the Exodus from Egypt, the Maccabean revolt, the death of the oppressor Haman, the destruction of the Temple. The Old Testament is first and foremost the narrative of a nation's history; it gives monotheism to the world, yet its credo is tribal rather than universal. Every prayer and ritual observance proclaim membership of an ancient race, which automatically separates the Jew from the racial and historic past of the people in whose midst he lives.²³

That is to say, after the Ashkenaz tribe's c. 740 conversion to Talmudic Judaism, they became known as *Ashkenazi Jews*. After that tribe converted to Talmudic Judaism, they claimed for themselves the name of and the national history of the Children of Israel who came out of Egypt; they claimed Israel's laws, festivals, and traditions. They especially claimed the occult practices *of the ancients of the house of Israel*. (Ezek 8) That occultism found its way into the Babylonian Talmud. The Talmud became the law book by which to live and die. The result has been that the *Ashkenazi Jews* have perpetrated a horrific and very expensive fraud upon the world. By their false claim to Israel's history, the average Christians, and even many self-identified Jews, now make a biblical connection where none ever existed. This perceived, though false, connection gives Ashkenazi Jewish Israel unlimited access to sympathy and to US Taxpayer funds, among other things.

Furthermore, Talmudic Judaism teaches that there must be an established Jewish Homeland populated with returned Talmudic Ashkenazi Jews. Only then will there be a mass Jewish conversion which must take place before the end of all things. That teaching comes with the implication that Christians must support and encourage that Zionist Jewish Homeland idea.²⁴

¹⁹ With Abraham, God established a spiritual seed-line not a physical seed-line.

²¹ Raphael Patai is quoted by Koestler, *Thirteenth Tribe*, p. 182. "Rabbinic DNA tests seek Jewishness in the blood, become a bone of contention. The required DNA test is to document that the one being tested be from the Ashkenazi Jews in Russia. The testing has been pilloried by activists representing immigrants, by scientists, and by politicians as a chilling, pseudoscientific development more suited to eugenics-crazy Nazi Germany than the Jewish state, and that dangerously risks turning Jewishness into a racial, rather than religious or national, identity."

²⁴ "Returned Jews!" How can this be when Palestine was never the homeland of the Ashkenazim who now inhabit the land. In his book "*The Restitution of All Things: Israel, Christians, and the End of the Age*," Joseph Farah devotes a whole chapter to this question. He writes: "If the Ten

This writer's intent is to document what original sources, honest historians and many other sources, make clear; that is, the only connection that modern Israel has with the Old Testament Children of Israel who came out of Egypt is what has been planted in the minds and understanding of Christians.²⁵ In addition, the only connection the self-defined Jews of our day have with the Jews of Christ's day is a common religious, Rabbinic Judaism. Zionism, the desire to reestablish a "Jewish" state to replace the one Rome destroyed, started in the first century after the destruction of the Second Temple. However, our effort is not to document the fulfilled prophecies in Christ, but to document the secular history of the self-proclaimed Jews and of the carnal nation of Israel that now claims to be God's Chosen People. The problem for the church is not individuals who define themselves as Jews, for they are no worse than individuals who falsely define themselves as Christians. However, from what we read from the first and second century Christian writers, the greatest enemy of the Gospel Church has been and continues to be **Rabbinic, Talmudic Judaism**, which manifests itself many times in Zionism. Rabbinic Judaism is waging total warfare against Christ. Judaism is a poisonous counterfeit, a synagogue of Satan, and Christians are willingly supporting the synagogue of Satan.²⁶

What sets Talmudic Judaism apart from other false religions is the ease with which it draws unsuspecting Christians into its web of deceit. Because Christians have not been taught about, do not realize, hide from, or willingly ignore the serious battle we are in against the antichrist, they do not publicly condemn the enemy, and many support and even finance the enemy. (Our war is a spiritual war against the father of lies, the prince of the power of the air.) We need diligence to *earnestly contend for the faith* that is being corrupted by Jewish errors, deceit, traditions, &c. (Jude 1:3)

Why are Christians so willing to welcome Rabbinic, Talmudic Judaism and Zionism when Judaism readily admits it is thoroughly antichrist? The Truth is being replaced with error, the gospel of Christ is being ignored, the church is being Judaized and Zionized while Christians sleep: *Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light.* (Eph 5:14)

Seventh: Honest History

Throughout the Old Testament, history is repeated to keep it alive. In Deuteronomy, Moses continually reminds the Israelites of their true origin and history. How many times did the Prophets remind Israel and Judah of their history? History has meaning; history is important. Ignoring or ignorance of history makes us no better than the brute beasts that have no concept of history. When Stephen reminded the Israelite nation of their history, the religious leaders killed him.

As we proceed, we shall see how ignorance of history has allowed history to be easily rewritten in order to create a new history that will justify the actions of sinister men. Since the time of Christ, these men have been creating fictitious and imaginary histories of the world. Their fictitious history is particularly apparent as the foundation of our nation is being given a new history which totally leaves out Christianity, with a special attack on the White Anglo-Saxon Protestants who settled and built this nation. Those who do not know true history are easily persuaded by an imaginary history.

Some who read this book may dismiss it as this author seeks to present honest biblical and historical evidences from qualified sources, to show how Christians have been persuaded to accept and even unknowingly support

Commandments are for today, then what about the fourth – interestingly, the longest of all?" World Net Daily, leans toward a Christian world-view, with many articles dealing with Christian issues. However, Farah is one of the loudest promoters of Israel on the web. Now he is promoting a return to the Jewish 7th day Sabbath. The failure of Christian leaders to teach the Bible to their people is bearing an abundance of evil fruit. Listed on the WND bookstore: "Complete Jewish Bible."

²⁵ We shall also examine the various methods used to implant that false history.

²⁶ Revelation 2:9. Hoffman, *Judaism's Strange Gods*, p. 20. We shall see that Rabbinic Judaism claims to be the heirs of the Pharisees of Christ's day.

the synagogue of Satan. From many Jewish and non-Jewish academic sources, we shall examine how the modern history of the self-identified Jews is a manufactured history, for the purpose to laying a false claim on the Land of Palestine, i.e., *The Holy Land*.²⁷ The Jews' new, imaginary and manufactured history started with the destruction of the Second Temple.²⁸ The purpose of their manufactured history was and is to provide the Zionists with public support to enable them to create vast amount of sympathy. That sympathy is turned into emotional support, military protection and money from the public, especially from Dispensational Christians who have no idea of the history nor the motives of those they support.²⁹

From the time of the Old Testament prophets, and the New Testament Apostles, truth has caused separation, even hatred. However, according to Ezekiel 3 and 33, when the Christian fulfills his responsibility to speak truth, his hands are clean. It is the hearer of the truth who is then accountable to God, and his blood will be upon his own head.

And he said unto them, Take heed what ye hear: with what measure ye mete, it shall be measured to you: and unto you that hear shall more be given. (Mark 4:22) But speaking the truth in love, may grow up into him in all things, which is the head, even Christ: (Eph 4:15) And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. (2 Thess 2:10) In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; 26 And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. (2 Tim 2:25) Am I therefore become your enemy, because I tell you the truth? (Gal 4:16)

We have all experienced the serious difficulty of abandoning false doctrine and fake history that we were taught by respected religious leaders. However, neither personal character, education, rewritten history nor sincerity can be allowed to override the truth as revealed in God's Word, as well as in honest history. Honesty in all things, including history, must be the Christian's goal.³⁰ Moreover, departure from Politically Correct theology and history of our day will cost reputation, followers and money. But do we serve God and Truth, or do we serve mammon and worldly acclaim? Do we fear men more than God?

We have thoroughly dealt with Christian Identity and the church's anti-Christian idea of Israel in other books, so those issues are not the subject of this effort.³¹

There is an overwhelming amount of documentation from various qualified Jewish historians and scholars who have made lifetime projects concerning the topics of our concern, so we see no reason to "reinvent the wheel." The vast portion of the research material used herein is freely available for download, making the quotes we use easily Fact Checked. Because the resource material is so easily obtainable, we **will try** to restrict our present study to appropriate quotes, with reference to the amazing amount of relevant material.³²

²⁷ We shall see why Zionism had to possess *The Holy Land*. Be assured that that not all of the self-identified Jews are in favor of the Zionist goals. Moreover, many have never heard of Zionism, and those who may have heard of Zionism reject it. Sadly, it is the professed Christians who seem to have been snared by the evil one, and who have encouraged, promoted and financed Zionism. We will see how Zionist and Christian Dispensational eschatology intertwine, which has led to Christian support of Zionist's goals. Though Dispensational Christians might not accept the premises of Judaism, it has been persuaded of a common ground with Zionism. Zionism will be defined and developed as we proceed.

²⁸ There is presently great excitement among Jews and Christian Zionists about the prospects of a Third Temple being built, which according to the Dispensational faith, means the soon return of Jesus Christ. <https://christinprophecy.org/articles/the-third-temple/>

He finally had to give up his research, and just develop what he had on hand. Everything led to something else, and so there had to be a limit somewhere. Anyone who might have a spark of interest in the subjects of this book has a wearying amount of material, even free material, at his disposal. Many of the books used for research are available as free PDF downloads, or e-books. The URLs are provided in the Bibliography. There

In the 1970s Israel was caught up in the momentum of territorial expansion, and without the Old Testament in its hand and the (imagined, ed.) “exile of the Jewish people” in its memory, it would have had no justification for annexing Arab Jerusalem and establishing settlements in the West Bank, the Gaza Strip, the Golan Heights, and even the Sinai Peninsula.³³

In the early 1800s, Judaic theology, especially eschatology, was introduced into what was then basically Orthodox Postmillennial, Calvinistic Christianity. Over the years, that Jewish influence has grown and has worked itself into the Church. The church is being urged to consider Orthodox Jews “brothers in the faith.”

Few who read *Judeo-Churchianity* realize the tremendous conversion to Judeo-Christianity, i.e., Talmudic Judaism, that has taken and is taking place in the Christian community—the church is being Zionized. The self-defined Zionists Jews claim the Old Testament promises that belong to the Gospel Church, e.g., *Pray for the peace of Jerusalem: they shall prosper that love thee.* (Ps 22:6)³⁴ Commenting on Psalms 22:6 and hoping to persuade Christians to support national Israel, *daytopray* quotes John and Carol Arnott - Toronto Airport Christian Fellowship:

"Not only does the Bible say that we should pray for the peace of Jerusalem, but we should also as believers, remember that Jerusalem is the place, the city, that God has chosen to establish His name. Israel is the fulfillment of God's promise to Abraham, Isaac, and Jacob, so it is testimony to the world that God is One who is faithful to His promises. I think as we grab a hold of that fulfillment of promise, our faith increases and we are able to establish ourselves more and more in the word of God."

There are 85 names of Christian leaders displayed on THE DAY OF PRAYER FOR THE PEACE OF JERUSALEM (first Sunday of every October. [DDPJ] website).³⁵

PRAYER FOR THE PEACE OF JERUSALEM is the Dispensationalist's call to pray for the rebuilt antichrist city of rebellion, Jerusalem in Palestine. Certainly, Christians should pray for peace in any city in the world, but the Psalms 22:6 prayer is for peace in the New Jerusalem from above, the Gospel Church.

We shall see that both the self-identified Jews and Dispensational Christians stand firmly against any idea that the Church is the new Israel of God, or the New Jerusalem. Abraham was looking *for a city which hath foundations, whose builder and maker is God*, and that city was not a carnal Jerusalem.³⁶ The Church is Israel now; the Church is the apple of God's eye. (Zech 2:8) The Christian's prayer is for there to be peace in the city of God, the Church of the Lord Jesus Christ.

Ver. 6. Pray for the peace of Jerusalem. By praying for Jerusalem's peace is meant such serene times wherein

are contradictory accounts of several of the events we will deal with, but the conclusions of those facts are always the same. What we have today is a rewritten, deceitful and fake history of the modern Jews and their “State of Israel.” The desire for a new nation, Zionism, and the manufacture of a new history started with the fall of the Second Temple.

³³ Sand, *The Invention of the Jewish People*, p. 239. A new Jewish history had to be invented or fabricated and taught world-wide to justify, particularly to Christians, their claim on “the Land of Israel.”

³⁴ V. 6, *daytopray* has claimed a passage that belongs to the Gospel Church. With pleasing and deceitful words, *daytopray* has persuaded many Christians to follow them into their Jewish error and support them with their money and time. V. 6 referred to the *the city of the great king* which was King David's city at the time. However, v. 6 did not glorify the carnal Jerusalem, but glorified the New Jerusalem *whose builder and maker is God*, Ps 48:2, Isa 2:2, 3, 52:9, 65:18, 66:10, Gal 5, Heb 11:10, 12:22, Rev 3:12, &c. *Daytopray's* call to pray for a carnal nation and carnal Jerusalem that hates God the Father and His Son Jesus Christ. The call has no scriptural basis. Moreover, according to the prophetic pronouncements against ancient Israel and Jerusalem, they were to be totally destroyed. Rome accomplished that final destruction. (Rom 11) The best option for this writer is that all Israel, that is, all the elect of the sons of Jacob were saved before the nation was destroyed. We must agree with Peter concerning much of Romans 11—some things said by Paul are hard to be understood, and too much speculation can easily lead to destruction. 2 Pet 3:16.

³⁶ Heb 11:10. “Replacement Theology” is defined as Christians being the New Jews and the Gospel Church is the New Israel of God. See Micah 3 & 4.

the people of God might enjoy his pure worship without disturbance. The Church has always had her vicissitudes, sometimes fair, and sometimes foul weather; but her winter commonly longer than her summer; yea, at the same time that the Sun of peace brings day to one part of it, another is wrapped up in the night of persecution. Universal peace over all the churches is a great rarity.³⁷

But Jerusalem which is above is free, which is the mother of us all. (Gal 4:26)

How many Christians realize that the Jewish rabbis are proud and vocal of the fact that they are the (supposed) continuation of the Pharisees of New Testament era? **How many** Christians realize Judaism's vocal and public antichrist nature? **How many** Christians realize the seriousness of the war in which we are involved, a war for truth over deceitful, vain, foolish fables and false doctrines; it is a war over the proper understanding of the Hebrew Scriptures, a war over proper biblical interpretation? **How many** Christians have even heard about the history of up to 95% of the self-proclaimed Jews of our day, the *Ashkenazi Jews*? **How many** Christians realize that Ashkenazi's father was Gomer, and Magog, Meshech and Tubal were his uncles?

Eighth: The End Times Battle over Truth

The end time battle prophesied in Ezekiel 38, 39 seems to fit well into the battle we now must war against the religion of the antichrist – Rabbinic Talmudic Judaism. The Ashkenazi tribe is a son of Gog, who is the chief prince of Meshech and Tubal.³⁸ Gary North defines the seriousness of the situation:

Commenting on anything requires a principle of interpretation. This is true of Bible commentaries. Principles of interpretation differ, and sometimes very sharply. This means that rival hermeneutical principles can and do become divisive. That, too, is the price of open inquiry. It is a price that must be paid on both sides. There is no way to reconcile these rival principles of biblical interpretation: 1) Jesus as the sole fulfillment of Old Testament messianic prophecies vs. Jesus as a false prophet and blasphemer, for which He was lawfully executed; 2) the New Testament as the sole authoritative commentary on the Old Testament vs. the New Testament as false prophecy; 3) Christians as the only true covenantal heirs of Abraham vs. Jews as the only true covenantal heirs of Abraham. It is the ancient debate, recently revived politically in the state of Israel, over the question, 'Who is a Jew?' **It is a debate over the truth** of Paul's assertion: "For we are the circumcision, which worship God in the spirit, and rejoice in Christ Jesus, and have no confidence in the flesh" (Phil. 3: 3). Only theological liberals on both sides of the debate can sensibly play down these differences, since liberals do not accept the truth of either religion's set of hermeneutical principles.

This essay (North's ed.) deals with Orthodox Judaism and its relation with orthodox Christianity. Orthodox Christianity is no longer the dominant stream of Christianity in the West, just as Orthodox Judaism is no longer the dominant stream of Judaism outside of the state of Israel, and which is in sharp political conflict with secular Judaism inside that nation.... The Orthodox Christian does not believe that liberal, mainstream Christianity is really Christianity, just as the Orthodox Jew does not believe that mainstream Judaism is *really* Judaism.³⁹

Because contemporary Christians cannot seem to make up their minds about contemporary Jews – whether they are demonic international conspirators or economic and academic supermen who somehow have the favor of God – they have been ineffective witnesses to Christ when in the presence of Jews. Once Christians recognize what Judaism offers to its adherents – the Talmud, or the mystical-magical Kabbalah, or the steady

erosion of modern secularization – they will better understand the words of Robert L. Reymond: “The Christian should love the Jew, certainly. But the sooner the Christian realizes that the Jew is as hopelessly lost and as hopelessly blind, if not more so (Rom. 11:6-11), than the Gentile, and that to win the Jew to Christ he must crush any and every hope for salvation which is related in any way to the fact that he is a Jew and a 'son of Torah,' the sooner the Christian will honor his Lord by his witness to the Jew and the more effective will his witness become.” There is no valid message of salvation in the Talmud.⁴⁰

(Acts 4:10-13. V. 12 *Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.*)

Ninth: Equipping the Saints

The Christian warfare involves confronting the allures of the world, the flesh and the devil. The effort with this present work, *Judeo-Churchianity*, is to move against the very *the gates of hell* by calling attention to *hidden things of dishonesty* as the devil quietly corrupts the truth as found in the law-word of God. Starting in the first century, the devil has been actively infecting the church with plausible false doctrines, evil customs, laws, opinions, errors, deceits and superstitions as found in **Rabbinic Talmudic Judaism**. Satan has many ministers both inside and outside of the professed church. Many Christian ministers not only allow false and deceitful doctrines, but far too often they promote Jewish deceptions. It appears that very few Christian leaders are willing to confront Jewish errors with sound doctrine.⁴¹

By Way of Deception Thou Shalt Do War

Does Jewish survival strategy demand misdirection, coverups, and colossal lies?

by Dr. William L. Pierce

THE MOTTO of Israel's spy agency, Mossad, is, according to recently defected Mossad agent Victor Ostrovsky: “By way of deception thou shalt do war.” That motto describes more than the modus operandi of the world's most ruthless and feared organization of professional assassins and espionage agents; it really describes the modus vivendi of an entire race. It is necessary to understand that fact before one can hope to understand fully the role of the Jews in national and world affairs.

The concept of a race eternally at war with the rest of the world is alien to us. It is difficult to believe or even to grasp....⁴²

Note John's warning against Jewish deceivers:

21 I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth. 22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. 23 Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also. (1 John 2)

Accordingly, those who deny that Jesus is the Christ must be identified as deceivers. They cannot be trusted. Though we might believe professed Christians are firm in the Orthodox Faith, few actually are. We must take the warnings of the Apostles seriously, for no person is immune from errors, superstitions, traditions, deceits, &c.⁴³

⁴⁰ North, *Tools of Dominion*, pp. 1039, 1040.

⁴¹ Though many Christians ignore or dismiss them as irrelevant, the devil's efforts against the church are very thoroughly documented throughout the New Testament. Many supposed Christian leaders have found that fables and false doctrines can be quite profitable. “Faith Comes By Experiencing Israel.” <https://www.wnd.com/2019/02/2019-wnd-israel-cruise-promo-2/>

We are to help support, encourage and strengthen those who desire to *earnestly contend for the faith which was once delivered unto the saints*. Our warfare is not only to teach and defend sound doctrine, but to attack the false doctrines that have been so prevalent from the time of Christ.

This writer's research took him back to the *Fathers*, the first one being **Ignatius, c. 30-c. 107**. From Christ and the Apostles of the first century and beyond, there is a surprising amount of warnings against Judaism's influence in the church. The primary first century enemy of the church as recorded by the apostles was the doctrines and traditions of Judaism. Not only are the apostles' words strong, but so are the words of the *Fathers* as they clearly identify Judaism with the devil and snares of the devil, e.g., Ignatius: "**If any one celebrates the passover along with the Jews, or receives the emblems of their feast, he is a partaker with those that killed the Lord and His apostles.**"⁴⁴

As we look at the history of and the doctrines of Talmudic or Rabbinic Judaism, we shall see that the warnings of the apostles John and Peter are timeless.⁴⁵

St. John warned the new church that *many deceivers entered into the world, who confess not that Jesus Christ is come in the Flesh*.⁴⁶ However, our present attention will be on one particular religion that denies Jesus Christ, Talmudic or Rabbinic Judaism. Yet despite its very open and public mocking, ridicule and denial, it has become acceptable among many who do *profess Jesus is the Christ the Son of the Father*. We shall consider its doctrines, its history and its movement through history.

Tenth: Talmudic Judaism

First, Talmudic Judaism, as does Islam, Hinduism, &c., very openly, publicly and vehemently denies the Father and the Son, 1 John 2:22. "These and other ways in which Christianity has expressed its faith in Jesus as more than just a man, even a great man, are what Judaism has consistently denied."⁴⁷ **Second**, Talmudic Judaism is built on a series of lies and deceits, 1 John 2:22, 2 John 7.⁴⁸ **Third**, Talmudic Judaism's goal is to undermine and seduce away from the Truth that is in Christ, 1 John 2:26. **Fourth**, Talmudic Judaism is captive to the world, so its doctrines are very basic humanism, 1 John 5:5. **Fifth**, Talmudic Judaism's wisdom is earthly, sensual and devilish, James 3:15. **Seventh**, Christ told those who followed the Jew's religion, that they were "of their father the devil," John 8:44.

We will see that Christians are being influenced to participate in various events identified with the Jewish Passover traditions. ⁴⁵ Talmudic or Rabbinic Judaism is defined elsewhere.

⁴⁶ 2 John 1:7.

⁴⁷ Kertzer, *What is a Jew*, pp. 275-277. Elizabeth Dilling, *THE JEWISH RELIGION: Its Influence Today*, p. 34. "The ultimate object of hatred in Talmudic Judaism is Christ, and the targets of Talmudic hatred are not just Gentile non-Jews, **"the people who are like an ass** — slaves who are considered the property of the master" (Talmud, Kethuboth 111a [pg 4013 Babylonian Talmud, PDF, ed.]). Of these non-Jews, the Christians are most insanely hated and loathed because their doctrines are the opposite of every Talmudic doctrine. They rank not just as animals, like the rest of non-Talmudic humanity, but almost as vermin, to be eradicated. Language in the Talmud is virtually exhausted to find foul and hated names for Christians."

"Even a Canaanite bondwoman who [lives] in the Land of Israel is assured of a place in the world to come, [for in the context] here it is written, unto the people upon it, [Fn. 74 Isa. XII. 5] and elsewhere it is written, **Abide ye here with the ass** [Fn. 76. Gen XLII, 5] [which may be rendered] **people that are like an ass**'. [Fn. 78. Sc. slaves who are considered the property of the master. As the 'people' spoken of in Isa. XLII, 5, are assured of a place in the world to come so are the 'people' referred to in Gen. XXII, 5. Moore describes this as 'a specimen of exegetical whimsicality, rather than an eccentricity of opinion' (Judaism, II, 380).]" *Babylonian Talmud*, PDF, pp. 4013, 4015. "(6) [According to the view that all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus, Phinehas the Robber is thus taken to represent Pontius Pilatus, and the Chronicle of Balaam probably to denote a Gospel (v. Herford op. cit. 72ff.). This view is however disputed by Bacher and others: cf. Ginzberg, Journal of Biblical Literature, XLI, 121.]" *Babylonian Talmud*, p. 6945 "And a Master has said, 'Jesus the Nazarene practiced magic and led Israel astray.'" *Babylonian Talmud*, p. 6951. The passages against Christ are too numerous to list. See the chapter on "The Talmud."

⁴⁸ Can we ignore Paul's warning in Gal 1:8, 9?

Clearly, Talmudic Judaism proceeds from the *father of lies*.

Eleventh: Unholy Prayer

Of particular importance is the fact that Talmudic Judaism's evil deeds are approved by Christians when they pray for God's blessing upon the followers of Judaism, 2 John 11.⁴⁹ We certainly can and should pray for God to open the understanding of the followers of any false religion, but we are forbidden to pray for God to bless his enemies, whether they be followers of Judaism, followers of Islam, followers of their own heart, or followers of blatantly false doctrine under the name of "Christian," which includes many professed Christians. How can one justify praying for God to bless those who teach and follow antichristian "Judeo-Christianity?" Rather, we must pray for God to remove the Jewish blinders from their eyes.

Twelfth: First and Second Century Warnings

The New Testament contains many warnings about Jewish errors creeping into the church, as did the first century church. Where are those warnings today?

Ignatius to the Philadelphians

"If any one preaches the one God of the law and the prophets, but denies Christ to be the Son of God, **he is a liar, even as also is his father the devil,**⁵⁰ **and is a Jew falsely** so called, being possessed of⁵¹ mere carnal circumcision. If any one confesses Christ Jesus the Lord, but denies the God of the law and of the prophets, saying that the Father of Christ is not the Maker of heaven and earth, he has not continued in the truth any more than his father the devil,⁵² and is a disciple of Simon Magus, not of the Holy Spirit. . . ."⁵³

The first and second century Christians were living in the surviving "Jewish" culture after the work of Christ was accomplished and after the Second Temple was destroyed. The preachers of the new Gospel of Christ continually warned, particularly in Hebrews, about *Jewish fables and commandments of men*:

14 Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers. For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake. One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies. This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; Not giving heed to Jewish fables, and commandments of men, that turn from the truth. (Titus 1) 16 For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty. (2 Peter 1)

Both Paul and Peter called on Christians, particularly Christian teachers, to defend and preach sound doctrine in the face of *cunningly devised Jewish fables, and commandments of men, that turn from the truth*.⁵⁴ We need fearless teachers and preachers who will expose the Judeo-Christian Zionist's heresy.

Our present effort is about the war that started in earnest with the coming of Christ, the Son of the Father. That

⁴⁹ Jeremiah was told to "pray not" for the good of those "Jews" who had turned from the command-word of God: 7:16, 11:14, 14:11 *Then said the LORD unto me, Pray not for this people for their good.*

⁵⁴ We shall examine some of these fables and commandments of men as we look at the Oral Torah which was supposedly delivered to Moses on the Mount, and in the Babylonian Talmud.

war is between the religion that professes Jesus is the Christ the Son of the Father, and **all religions** that deny the Father and his Son—they are defined by John as antichrist, i.e., the *spirit of antichrist*. We shall examine some of the cunningly devised *Jewish fables* that have allowed Judaism to obtain great influence over non-Jews, and even over many Christian pulpits as well as over many sincere and devout Christians. The *fables* have persuaded many Christian pulpits to compromise the Christian gospel, and have drawn many sincere Christians to support Judaism's Zionist's goals with time, money and even blood.

Ignatius' warning: Do Not Accept Judaism

But if any one preach the Jewish law⁵⁵ unto you, listen not to him. For it is better to hearken to Christian doctrine from a man who has been circumcised, than to Judaism from one uncircumcised. But if either of such persons do not speak concerning Jesus Christ, they are in my judgment but as monuments and sepulchres of the dead, upon which are written only the names of men. Flee therefore the wicked devices and **snare of the prince of this world**, lest at any time being conquered⁵⁶ by his artifices,⁵⁷ ye grow weak in your love. ...⁵⁸

Ignatius To The Magnesians—Beware of Judaizing

It is absurd to profess⁵⁹ Christ Jesus, and to Judaize. **For Christianity did not embrace⁶⁰ Judaism, but Judaism Christianity**, that so every tongue which believeth might be gathered together to God. ... Abide in Christ, that the stranger⁶¹ may not have dominion over you. It is absurd to speak of Jesus Christ with the tongue, and to cherish in the mind a Judaism which has now come to an end. **For where there is Christianity there cannot be Judaism.** For Christ is one, in whom every nation that believes, and every tongue that confesses, is gathered unto God. And those that were of a stony heart have become the children of Abraham, the friend of God;⁶² and in his seed all those have been blessed⁶³ who were ordained to eternal life⁶⁴ in Christ.⁶⁵

Judeo-Christianity seeks to join two rival principles of biblical interpretation: Rabbinic, Talmudic understanding of the Hebrew Old Testament and the Orthodox Christian New Testament understanding of the Hebrew Old Testament. The Christian victims of this war have yielded their Christian faith, and have accepted and even joined in supporting various Jewish rituals and causes.⁶⁶

It is absurd to speak of Jesus Christ with the tongue, and to cherish in the mind a Judaism which has now come to an end. **For where there is Christianity there cannot be Judaism.**

But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable (Jewish) heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. (2 Pet 2:1)

“Chapter IV.—Antichrist is at hand: let us therefore avoid Jewish errors.”⁶⁷

Long before Romanism appeared in history, the apostles and the early *Fathers* labeled “Jewish errors” as antichrist. In fact, the entire New Testament as well as the early church continually confronted Jewish errors with sound doctrine. Those confrontations are recorded for our warning, instruction and edification.

The intention of the writer, (Barnabas, ed.) as he himself states (chap. i), was “to perfect the knowledge” of those to whom he wrote. Hilgenfeld, who has devoted much attention to this Epistle, holds that “it was written at the close of the first century by a Gentile Christian of the school of Alexandria, with **the view of winning back, or guarding from a Judaic form of Christianity, those Christians belonging to the same class as himself.**”⁶⁸

These early men were firm in their preaching that to support or join with Judaism in any way is to deny Christ.

Thirteenth: Winning Back Judaized Christians

How can those Christians who have been seduced by the Jew’s religion be returned to the biblical faith?

One, prayer: *The king’s heart is in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will.* (Pro 21:1)

Two, sound doctrine coupled with a meek spirit!

24 And the servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient, 25 In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; 26 And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. (2 Tim 2)

Prevention against Jewish error.

Warn and teach:

14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; (Eph 6)

One must know his Bible and accept it as the word of God, though it might go against what he has been taught. A good working knowledge of the *truth* as contained in the complete law-word of God is the two-edged Sword of the Spirit that is required to prevent becoming a victim of the many surrounding seducing spirits and doctrines of devils. Only those who know and trust in God’s truth can be effective workmen or warriors who are able to wage an effectual warfare defending and advancing the Kingdom of God. Lacking good knowledge of the truth, how many sincere Christians have denied the faith, and have brought shame upon the name by which they are called Christian?

9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan. (Rev 2)

⁶⁷ *The Ante-Nicene Fathers*, Volume I, p. 138. “The writer of this Epistle is supposed to have been an Alexandrian Jew of the times of Trajan and Hadrian. ...” Emp. added.

⁶⁸ *Epistle of Barnabas. The Ante-Nicene Fathers*, Volume I, p. 135.

[T]hese were the broachers of heresies in this period of time, in which there was a multitude of them, and which chiefly respected the doctrine of the Trinity, and the person of Christ; and they were **introducers of Pagan and Jewish rites into the church**, and were men of flagitious lives and conversations, and paved the way for the man of sin:

but [are] the synagogue of Satan: were the children of the devil, imitated him, and were influenced by him, and were the forerunners of antichrist, whose coming was after the working of Satan.⁶⁹

Note that Gill tells us that the war against the doctrine of the Trinity originated in Talmudic Judaism. (Read just a little of the Talmud.)

They countered that Jewish teaching with strong meat—sound doctrine. Every apostle warned of the Jewish danger, and the early *Fathers* continued that warning about Jewish doctrines invading the church. The early church saw their enemy as being those who sought to promote Jewish teachings within the church.⁷⁰

What better way to introduce Pagan and Jewish rites into the church than to quietly infiltrate Christian colleges and seminaries with these strange, anti-Christ doctrines? We shall document that infiltration by the **“frontmen.”**⁷¹ Orthodox Christians have only biblical and historical truth with which to confront the cunningly devised *fables* of Rabbinic Talmudic Judaism.

Because of the subtleness of this war between the two competing doctrines, or more aptly stated, rival religions, most professed Christians have no idea there is even a theological war taking place.⁷² Not knowing nor caring about historical and biblical accuracy, many have been persuaded to join with *the synagogue of Satan*,⁷³ and they not only support and defend Talmudic Judaism, but adopt various Judaic practices.

Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; (1Tim 4:1)

Christ and the Apostles gave many warnings concerning the end-time battle between competing doctrines: Biblical vs. *doctrines of devils*. The New Testament gives extensive instructions, and thoroughly explains the weapons of war needed for Christian victory over the *doctrines of devils* in these *latter times*. The corrupt doctrines of Talmudic Judaism and Zionism that are creeping into the church must be countered with *sound doctrine*. The stronghold of *the synagogue of Satan*, identified by Christ as *the gates of hell*, can only be conquered by faithfully teaching, believing and practicing sound doctrine, and by applying sound doctrine against the *damnable heresies* that have found their way into the Gospel Church. The war to the death is between **biblical Truth and Talmudic Judaic error**, and this war will rage for God’s glory until his purpose is accomplished.

Fourteenth: War for the Mind

Since the early 1800s, we have been told how close Judaism is to Christianity. The smooth words have caused many Christians to ignore the truth that Judaism openly declares it is at war against God and his Son Jesus

⁶⁹ *John Gill*. Emp. added. We shall examine the Talmud, and how Talmudism has been and is being brought into the church.

⁷⁰ This chapter is only an introduction. We will develop how Judaism is creeping into the church, and how the church is being compromised by Judaic doctrine.

⁷¹ See chapter “Unholy Hands on the Holy Word.”

⁷² Please note that the war is between two religions and doctrines. It is not between people, though many times religions do make war against those who disagree, e.g., Muslims and Hindus. “Be ye angry and sin not,” but the anger is against the false religion and doctrine. There must be no animosity toward the people of the various false religions and doctrines. We are commanded to love and reach them for Christ, however, there are many imprecatory prayers in scripture.

⁷³ “which say they are Jews, and are not, but are the synagogue of Satan.” Rev 2:9.

Christ. Orthodox Judaism clearly states that it is the heir to Pharisees of the New Testament era. Thus, they are also the heirs of Christ's many condemnations against the Pharisees.⁷⁴

As we examine Talmudic Judaism's doctrines and its recorded history, let us judge righteous judgment in the light of the totality of God's law-word and true history.⁷⁵

But have renounced the hidden things of dishonesty, not walking in craftiness, nor handling the word of God deceitfully; but by manifestation of the truth commending ourselves to every man's conscience in the sight of God. (2 Cor 4:2)

Might we see and understand the *hidden things of dishonesty* upon which Judaism is built, and that has deceived and is deceiving multitudes of Christians into thinking they are serving God as they finance Zionism!

How can the Church and the followers of the Lord Jesus Christ seek unity with Judaism, e.g., *Judeo-Churchianity* or Christian Zionism?⁷⁶

“It is absurd to speak of Jesus Christ with the tongue, and to cherish in the mind a Judaism which has now come to an end. For where there is Christianity there cannot be Judaism.”

Fifteenth: Conclusion

On one side we have the faith that says: **1)** Jesus is the sole fulfillment of Old Testament messianic prophecies. **2)** the New Testament is the sole authoritative commentary on the Old Testament. **3)** Christians are the only true covenantal heirs of Abraham.

On the other side we have the faith that says: **1)** Jesus is a false prophet and blasphemer, for which He was lawfully executed. **2)** the New Testament is false prophecy, and the Talmud is the true commentary on the Hebrew scriptures. **3)** Jews are the only true covenantal heirs of Abraham.

Christians must war against **all doctrines** that denies the Trinity, the Father, his Son, the Lord Jesus Christ, and the Spirit.⁷⁷

Choose you this day whom ye will serve

whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD. (Josh 24:15)

Judeo-Christianity seeks to join two rival principles of biblical interpretation: Rabbinic Talmudic understanding of the Hebrew Old Testament and the Orthodox Christian New Testament understanding of the Hebrew Old Testament. How many Christian victims of this war have not only accepted, but have joined in supporting various Jewish rituals and causes?

⁷⁷ Paul equips the Saints with their proper weapons in this warfare.

⁷⁸ Op. cit.

Can one serve two masters? Can the church follow two systems of interpretations of Scripture without denying the Lord who bought it with his own blood?

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. (Matt 6, Lk 16:13)

Sixteenth: Final Charge

One, the leaders of the self-identified Jews of our day have openly confessed that they have no blood-line relationship with Jacob and the 12 tribes of ancient Israel. Rather, they admit that they are children of Japheth through Gomer, and not children of Shem.⁷⁹ So, unless otherwise noted, as we discuss Jews throughout *Judeo-Churchianity*, we are normally discussing the descendants of Japheth's grandson, Ashkenaz, the son of Gomer, who converted to Talmudic Judaism c. 740. His descendants have since been identified today as the Ashkenazi Jews, i.e., Children of Ashkenaz.

Two, as much as possible, Jewish groups like the Jewish ADL (Anti-Defamation League) will do all they can to discredit most of the authors and sources used in this work.

Three, the end time battle is a **War for the Mind**. This battle is for the hearts and minds of men, and it cannot be fought with flesh and blood.

We are involved in a war over which theology will prevail in history: God's verbally inspired Word as revealed in His Son Jesus Christ, or antichrist theology that denies both God the Father and His Son Jesus Christ.

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.
(Jude 1:3)
