

## **My Mind is Made Up**

“My mind is made up. Don’t confuse me with the facts“ was my motto for many years. My mind and ears were closed to anything that went contrary to what I had been taught, or to what I was hearing or to what I wanted to believe. But the Lord started opening my eyes back in the late 70s, and many pet ideas, theories and theologies had to be sacrificed on the altar of sanity, reality and Truth.

Though the following lengthy essay is documented at every point from history and scripture, it is so contrary to modern Christian thought that it will be automatically dismissed by the average reader. Thorough documentation of everything that is said can be found at [biblicalexaminer.org](http://biblicalexaminer.org). History means inquire, explore, and learn by inspection. Where are the Christians who are inclined to seek out the true history of modern Rabbinic, Talmudic, Orthodox Judaism? The fallen nature is attracted to error. A work of the Spirit is to guide the child of God into all truth, but how can He if we will not seek truth?

All history is God’s history for history is the record of God working out his predetermined will for his glory and for the good of his church.

The following essay goes deep into history, deeper than the average person wants to know. Not knowing history, both biblical and non-biblical, has allowed many strange and false doctrines into the church. Ignoring history has placed the church and the world, in great jeopardy of being overrun by the ungodly. Of course, wickedness only prospers as God permits.

**Psalms 76:10** *Surely the wrath of man shall praise thee: the remainder of wrath shalt thou restrain.*

**2 Timothy 2:15** requires that we study history so we might know the truth. False doctrine has taken over the church because people don’t like to study history. The following essay is true history that has been intentionally removed in order for the wicked to be able to prosper. “Why do the wicked prosper?” The wicked prosper because Christians fail in their biblical responsibilities to study and confront error with truth.

WWIII and Britain  
Britain and the Israeli-Palestinian Conflict  
Psalms 120:7 *I am for peace: but when I speak, they are for war.*

The October 23, 2023 Examiner, “They Are For War,” dealt with the Israeli’s love and lust for war and destruction. We also pointed out that Biblical Christians have no business being for or against either side. We are against death, particularly death of the innocent. Our warfare is spiritual and against the powers of darkness who seemingly are having their way. Our weapons are not fleshly; our weapon requires faith and a clear conscience. Our weapon is the Law-Word of God, and dependance on the Spirit to subdue the enemy. Our calling is to life and peace found only in the gospel of Christ. But today we may be facing a world-wide war between Israelis and Palestinians who both claim Palestine as their homeland. Which side has history on their side?

Below we will examine from honest history and from the Word of God what is going on in Palestine. Why is Netanyahu, i.e. Israel so determined to eradicate the Palestinians from the face of the earth? (Far from being a native Hebrew Jew, Netanyahu is a non-Jew from Chicago.) In other words, “Israel wants ‘complete control’ of Palestinian land: UN report.” The Ashkanizi Jews will use any means to gain that control. <https://www.aljazeera.com/news/2022/6/7/un-report-finds-israeli-occupation-root-cause-of-conflict>

Below we shall examine the reason for Israel’s determination to remove the Palestinians from Palestine, many of whom are remains of the Hebrew Israelites. Rome did not expel the Israelites. Let us open by examining the facts of the October attack that is not widely known.

Hamas’s October surprise attack came after Israeli settlers stormed the Al-Aqsa Mosque compound and after a record number of Palestinians had been killed by Israel at that point in 2023.

The Palestinian enclave – home of some 2.3 million people – has been under an Israeli air, land and sea blockade since 2007

The latest death toll stands at 41,957 Palestinians and 1,139 people killed in Israel October 7.

\* More than half of Gaza's homes (damaged or destroyed) \* 80 percent of commercial facilities \* 85 percent of school buildings \* Healthcare facilities so 17 of 36 hospitals are partially functional \* 65 percent of road networks \* 65 percent of cropland

One would almost think that the eternal war in Palestine was and is an intentional warfare established by the Western powers for profit and power with no regard for lives nor property.

(The Western War Party of our day is pressing hard to start a war with Russia and or China before the election.)

In the Beginning

Zionist press Britain for a new "homeland."

The "founder" of Zionism — a distinctly modern political movement — was Theodor Herzl (May 1860 – July 1904). Herzl formed the Zionist Organization and promoted Jewish immigration to Palestine in an effort to form a Jewish state. He is officially referred to as "the spiritual father of the Jewish State". (Wikipedia) 1897, the First Zionist Congress

"By August 29, 1897, then, when Herzl convenes the First Zionist Congress, momentum had already been building for two years" in Britain. The Zionist's state purpose: "Zionism aims at establishing for the Jewish people a publicly and legally assured home in Palestine." Herzl's tireless efforts for the Zionist cause resulted in Britain's Balfour Declaration, which would force the Palestinian from their homes and property. At conference the blue and white six-pointed star became the Zionist standard. Comment: that blue Star represents death and destruction.

[\(https://jewishjournal.com/commentary/opinion/352005/theodor-herzl-launches-the-first-zionist-congress-in-1897/\)](https://jewishjournal.com/commentary/opinion/352005/theodor-herzl-launches-the-first-zionist-congress-in-1897/)

Problem: Palestine was inhabited by those who had remained after the destruction of Jerusalem, many of whom were the remnants of the Hebrew Israelites.

In order to accomplish the Zionist dream of a homeland in Palestine, the Children of Ashkenaz had to, among other things, 1) drive out all of the legitimate, physical heirs of ancient Israel, the Palestinian Arabs; 2) urge and, when necessary maybe even force Ashkenaz Jews from around the world to migrate to Palestine, for they

needed enough Jews to legitimize their claim on Palestine; 3) create great international sympathy for their supposed plight of being homeless, i.e., “wandering Jews” and 4) have wide support, especially from Christians, for what they would need to do to the Palestinian Arab occupants. They also needed international recognition, military support and an abundance of money to obtain their Zionist goals to possess all of Israel’s ancient land. The turmoil and wars motivated by Talmudic Zionism have allowed the Zionists to quickly move ahead with their various goals.

From the time of the “widespread Palestinian revolt of 1936-1939, it was known that the Judaeen peasantry had to be erased from the Jewish national consciousness, and cast into oblivion.” We have seen that because there was no forced exile by Rome, the true remnants of the descendants of the Children of Israel remained in Palestine after 70 AD. The history of national Israel ended with the destruction of the Second Temple, but “the descendants of the Judean peasantry” remained. In order for the Zionist project to work, those Palestinians had to be removed from the land, and written out of history. Accordingly, the “Palestine problem” from 1948 to the present is between the Caucasian Turkic Ashkenazim (who left their Ukrainian homeland and settled in Palestine) and the Judeans (the Palestinian Arabs who are the remnants of the true descendants of the Children of Israel. The Arabs are descended from Shem, through Abraham.) Hence, it is the descendants of Japheth, the Children of Ashkenaz, who practiced and are practicing anti-Semitism against the true sons of Shem, the Semites who were and still are in the land. Where is the charge of anti-Semitism when you need it?

[Baker’s Bible Atlas, p. 35, gives the map of this astonishingly large and great Khazar Kingdom that, of necessity, had to be erased from history. Baker’s Chart of Table of Nations According to Genesis 10, p. 39. (History has been subtly changed, rewritten by the Enemy, thus robbing the Gospel Church of her assurance of victory as promised in Gen 3:15, Rom 4:13, 2 Cor 15. Believing lies and deceits the church hides in the corner, vainly waiting for the Jewish Messiah to come reign on the throne of David from Jerusalem. Meanwhile, the church supports the antichrist with money and blood in his effort to destroy them.)]

In 1917, the British government committed to establishing in Palestine a Zionist State from where the Palestinian Arabs many of whom were Christians, had to be forcefully ejected. (Scripture tells us that Abraham the Hebrew had two sons, Jacob and Esau. Jacob is the father of Biblical Israel out of Egypt, who later became

known as Jews because they lived in Judea. Esau is the father of the Arabs who were given the deserts as patrimony. (Gen 16:11, 12)

On November 2, 1917, Arthur Balfour wrote a letter to Lionell Rothchild, a figurehead of the British Jewish community. The letter committed the British government to “the establishment in Palestine of a national home for the Jewish people” and to facilitating “the achievement of this object”. It was known as the Balfour Declaration. Thus, a European power promised the Zionist movement a country where Palestinian Arab natives made up more than 90% of the population. During the period from 1923 until 1948 the British facilitated mass Jewish immigration, many fleeing from Nazi persecution. The Palestinians were alarmed by their country’s changing demographics and British confiscation of their lands to be handed over to these Jewish settlers.

In 1939, Britain had massed 30,000 troops in Palestine. Villages were bombed by air, curfews imposed, homes demolished, and administrative detentions and summary killings were widespread, all done in tandem with British collaboration with the Jewish settlement community. During that time, 5000 Palestinians were killed, 15 to 20,000 were wounded and 5600 were imprisoned.

To complicate matters, by 1947, the Jewish population had bloomed to 33% of Palestine, but they only owned 6% of the land. So, the United Nations called for the partition of Palestine into Arab and Jewish states. (Resolution 181.) The Palestinians, who made up 67% of the population, rejected the plan because it gave about 55% of Palestine to the Jewish state, including most of the fertile coastal region.

In 1948, the Zionist paramilitaries embarked on a military operation to destroy Palestinian towns and villages in order to expand the borders of the Zionist state. From 1947 to 1949, more than 500 Palestinian villages towns and cities were destroyed by the Zionist: 15,000 Palestinians were killed in dozens of massacres. The Zionist movement captured 78% of historic Palestine, and the remaining 22% were divided in what are now the occupied West Bank and besieged Gaza Strip. An estimated 750,000 Palestinians were forced out of their homes. (Reports say that a large number of those Palestinians were and are Christians. Is it any wonder the Zionists hate the Palestinians so much?)

In short, from the early 1900, the Zionist have openly stated that their goal is World Conquest. “With lies make war.”

**WHO ARE THE ASHKENAZI JEWS** who now claim all of Palestine as their own, and are willing to kill any and every everyone who stands in their way?

One will need to dive deep into the Memory Hole to find who the true identity of the Ashkenazi Jews, starting with Scripture.

**1 Chronicles 1:4** *Noah, Shem, Ham, and Japheth. 5 The sons of Japheth; Gomer, and Magog, and Madai, and Javan, and Tubal, and Meshech, and Tiras. 6 And the sons of Gomer; Ashchenaz, and Riphath, and Togarmah. 7 And the sons of Javan; Elishah, and Tarshish, Kittim, and Dodanim.*

Bulan was the First King of the **Ashkenazi Jews**

## King Yoseph's Letter

In the c. 960 letter King Joseph gives the account of King Bulan c. 740 conversion of the Turkic tribe of Khazars to Talmudic Judaism, which made Bulan the first Jewish Khazar ruler. Accordingly, he was the first ruler of the Ashkenazi Jews, who to-day claim Palestine as their homeland. In King Yoseph's answer to Rabbi Hasdai inquiry about where the Khazars came from, King Joseph said, "Know that we are descended from Japhet, through his son Togarmah. [In Jewish literature Togarmah is the father of all the Turks.]"

However, conversion to Talmudic Judaism did not change Togarmah's warlike nature, for King Joseph says, "Since that day [about 740], when my fathers entered into this religion, the God of Israel has humbled all of their enemies, subjecting every folk and tongue round about them, whether Christian, Muslim, or pagan. No one has been able to stand before them to this day [about 960]. All of them are tributary."

The entire letter is posted at <https://biblicalexaminer.org/PDF%20Essays/King%20Joseph%20letter.pdf>

The fierce Turkic tribe of Ashkenazim changed their name to Jews, known today as Ashkenazi Jews, but evidently they could not change his character as the Ashkenazim Turks continued to make war with his neighbours then and now.

King Joseph uses "the God of Israel" to justify the Khazar's fierce warfare in order to consume his neighbors. (Comment: The fallen nature of all men is war, James 4.)

When King Bulan converted, the entire Khazar kingdom converted. From that time one, they assumed all the Biblical marks of a Biblical Jewish kingdom, and took on Jewish sounding names, particularly for babies. The Khazar kingdom thus evaporated in history, and were able to create a new history.

Accordingly, the Ashkenazi Jews are Turks, sons of Japheth, not sons of Shem, Semites. Hence, the charge of antisemitism cannot apply to them. Biblically, antisemitism must apply to the new Israel of God, the church. (In Ezek 38, it is the tribes from where Gomer settled that come against the Israel of God. [https://biblicalexaminer.org/PDF%20Essays/P\\_GogMagog.pdf](https://biblicalexaminer.org/PDF%20Essays/P_GogMagog.pdf))

they are for war.

## A Warlike Turkic People—and a Mystery

The homeland of the of the Israeli Ashkenazi Jews is the Russian Steppes (primarily Ukraine) who migrated to Palestine, has been erased from history. The greatest and most powerful kingdom of its day, c. 740-1259, the Turkic kingdom of the Khazars that controlled the Russian Steeps has been consigned to the “memory hole.”

[https://en.wikipedia.org/wiki/Eurasian\\_Steppe](https://en.wikipedia.org/wiki/Eurasian_Steppe) ; <https://blogs.timesofisrael.com/leaked-report-israel-acknowledges-jews-in-fact-khazars-secret-plan-for-reverse-migration-to-ukraine/>

Scriptural roots:

Abraham the Hebrew had two sons, Ishmael and Isaac, two men who are the picture of extremes. When Ishmael mocked Isaac, Sarah told her husband to “Cast out this bondwoman and her son.” Her son had the promise of Genesis 16:12, and can be identified as the Arabs. (PC). His patrimony was the desert. (Isaac is identified with shepherding and Ishmael with war. The war between the spirit and the flesh will last as long as sin reigns in the world.)

In other words, in order for the Turks, the Ashkenazi Jews to occupy Palestine, the descendants of Shem, the Arabs, had to be cast out.

The Road to 1948: One year matters more than any other for understanding the Israeli-Palestinian conflict. In 1948, Jews realized their wildly improbable dream of a state, and Palestinians experienced the mass flight and expulsion called the Nakba, or catastrophe. The events are burned into the collective memories of these two peoples — often in diametrically opposed ways — and continue to shape their trajectories

If 1948 was the beginning of an era, it was also the end of one — the period following World War I, when the West carved up the Middle East and a series of decisions planted the seeds of conflict. To understand the continuing clashes, we went back to explore the twists and turns that led to 1948. This path could begin at any number of moments; we chose as the starting point 1920, when the British mandate for Palestine was established.... (The British mandate, [https://avalon.law.yale.edu/20th\\_century/palmanda.asp](https://avalon.law.yale.edu/20th_century/palmanda.asp))

<https://www.nytimes.com/interactive/2024/02/01/magazine/israel-founding-palestinian-conflict.html>

Britain started the “Never Ending” war

Settlements - Most countries deem Jewish settlements built on land Israel occupied in 1967 as illegal. Israel disputes this and cites historical and Biblical ties to the land. Their continued expansion is among the most contentious issues between Israel, the Palestinians and the international community. (The Turks, i.e., Ashkenazi Jews have no Biblical ties to Palestine; they admitted as much when they publicly stated they are Ashkenazi Jews.)

<https://www.reuters.com/world/middle-east/israel-palestinian-dispute-hinges-statehood-land-jerusalem-refugees-2023-10-10/>

How did the Ashkenazi Jews accomplish their wildly improbable dream of being able to abandon their homeland in the Ukraine and Russia, and claim Palestine as their homeland? Obviously, the Palestinians had to be expelled from their land and homes so their homeland could be given to those committed to following the Talmudic Judaism religion.

It took several hundreds of years for the “wildly improbable” Jewish dream to materialize, and it required the nation-building decisions by Britain which led to the founding of the nation of Israel, and left the region in a state of eternal conflict....” <https://www.nytimes.com/interactive/2024/02/01/magazine/israel-founding-palestinian-conflict.html> See also Balfour Declaration of 1926, [https://en.wikipedia.org/wiki/Balfour\\_Declaration\\_of\\_1926](https://en.wikipedia.org/wiki/Balfour_Declaration_of_1926)

In order for the many hundreds of years old dream to materialize, honest history had to be replaced with a new manufactured history. Zionism urgently needed a specific non-history, i.e., false history, in order to claim Palestine as their national homeland; they had to manufacture a mythological history of so-called wandering Jews in order to create Christian sympathy for a national homeland in Palestine.

Through instigating world-wide events and propaganda, the Zionists finally gained their needed international support for a Jewish Homeland, using Hitler and WWII. Hitler and WW II provided both the requisite number of emigrants and the required moral justification needed to claim Palestine, and displace the Palestinians. By 1948, the descendants of the Children of Ashkenaz had created enough public support that the Arabs were displaced, and the Turks, the Ashkenazim were given a new homeland.

By Way of Deception Thou Shalt Do War

Does Jewish survival strategy demand misdirection, coverups, and colossal lies?  
by Dr. William L. Pierce

THE MOTTO of Israel's spy agency, Mossad, is, according to recently defected Mossad agent Victor Ostrovsky: "By way of deception thou shalt do war." That motto describes more than the modus operandi of the world's most ruthless and feared organization of professional assassins and espionage agents; it really describes the modus vivendi of an entire race. It is necessary to understand that fact before one can hope to understand fully the role of the Jews in national and world affairs.

The concept of a race eternally at war with the rest of the world is alien to us. It is difficult to believe or even to grasp....

### Expert Memory-Merchants Employed

In order to change the Turkic Ashkenazi Jews' homeland from Eastern Europe to Palestine, the history of ancient Israel had to be reconstructed by the Ashkenazi Jews; they had to replace truth with believable lies. Expert writers were employed to develop the necessary lies to provide historical evidence that would support their desired possession of Palestine. The imaginative new history had to be good enough to gain Christian moral support, financing, and military support. These Talmudic Jewish "memory-merchants" had to avoid the very shadow of the Ashkenazi Jews' fierce Turkic Khazar past. The Ashkenazi Jews conquered Palestine with lies, for if Christians had known that the Ashkenazi Jews had no connection with the Children of Israel under Moses, Shem, there would have been problems establishing the modern state of Israel. So, the world had to be deceived with a new believable history. Therefore, before a new fake history of the son of Gomer, the Children of Ashkenaz, could be inserted into public consciousness, the true history of their totally vile and debased Turkic past had to be removed and forgotten by the public, i.e., written out of history. The public had to be reeducated that Palestine was the actual homeland of the Ashkenazi Jews from the North in the Russian Steppes.

That goal has been wonderfully accomplished by manufactured lies and deceptions to connect the Children of Ashkenazi with the Children of Israel of the Exodus. Their new history created a connection where none existed. Without a new history, the Ashkenazim would have been unable to gain public support, especially Christian, in their claim that Palestine is their true homeland.

Revelation 22:15 For without [are] dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

Those who realize the deceits being perpetrated by Talmudic Jewish Zionism should be amazed at how much almost every source from the U.S. President on down have and are financing, promoting and protecting the Zionist's Nation of Israel, and their lust for expansion; those sources viciously attack any perceived negative mention of Israel or of the Jews. Furthermore, the Jewish Zionists are being praised while the legitimate heirs to what was the Biblical land of Israel, the Palestinians, are being condemned. In order for the Zionist project to possess Palestine to continue, the public perception had to be changed to favor the militant Zionists. The Ashkenazim are the invaders. Only a very small portion of world-wide Jewry are Zionist; the Zionist are the ones making war.  
<https://en.wikipedia.org/wiki/Palestinians>.

This writer has found that few Christians are interested enough in historical truth to look behind the bright lights of popular opinions of the day. Where is the Spirit of Biblical Discernment, Pro 7:7, 1 Cor 2:14?

History means inquire, explore, and learn by inspection. Where are the Christians who are inclined to seek out the true history of modern Rabbinic, Talmudic, Orthodox Judaism? (1828 Webster.)

Jerusalem had to be “reclaimed” by the “Jews.”

At the center of those Talmudic Judaic promises is the requirement of a Jewish homeland with Jerusalem as its capital, for “the dead outside the Land will not be resurrected. (The Talmud – Mas. Kethuboth 111a. PDF, p. 4012)

Why is the church so fearful of calling attention to the vileness of Talmudic Judaism, i.e., Orthodox Judaism, and its hatred of Christ? Is it because the average professed Christian, or pastor, does not know the Word of God, and may even fear man more than he fears God? How many are willing to believe, support and may even be willing to subject themselves to Talmudic Judaism's lies and deceits? Christians' lack of knowledge of God's Word, and the ability to view current events in the light of God's law-word results in a self-imposed death sentence.

But he that sinneth against me wrongeth his own soul: all they that hate me love death. (Pro 8:36)

Those who neglect God's law-word are guilty of suicide. Though they do not intentionally love death, yet by neglecting God's law-word, they bring death upon themselves. O Israel, thou hast destroyed thyself; but in me [is] thine help. (Hosea 13:9) "(f) Your destruction is certain, and my benefits toward you declare that it comes not from me: therefore your own malice, idolatry, and vain confidence in men must necessarily be the cause of it." (Geneva footnote. "Judicial Blindness" is upon the apostate church.)

We see that by skillful use of pen and ink and by changing the meanings of words, Rabbinic, Talmudic Orthodox Judaism has persuaded the general Christian public to accept and support Zionist lies that support their manufactured history. Modern Jewish history is the product of some very skillful and imaginative writing, which has no shadow of true reality.

### Paul's Warning

That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; (Eph 4:14)

Notice how susceptible Christians are to lies and deception when they do not study, know nor believe the Truth of God's word. Those lies that shout the loudest and appeal the most to human understanding will ensnare the simple.

### Conclusion

Gifted memory merchants, i.e., history reconstructors, went to work to unite Jewish and Christian religious memories, "out of which they imaginatively constructed a long, unbroken genealogy for 'the Jewish people.'" The invented Jewish history supports the antichrist teaching that, in Rabbi Kertzer's words, "Christianity grew out of Judaism and defined itself with reference to those Jewish beliefs and practices that it accepted and those it did not. Judaism spawned Christianity..." (Sand, *The Invention of the Jewish People*, p. 16.)

Thus, the Rabbi exalts Talmudic Judaism over Christianity. However, in the first century, Ignatius clearly exalted Christianity above Talmudic Judaism:

It is absurd to profess Christ Jesus, and to Judaize. For Christianity did not embrace Judaism, but Judaism Christianity, that so every tongue which believeth might be gathered together to God.

Clearly, from the beginning of the Gospel of Christ, one can be either a self-defined Jew or Christ-defined Christian. Accordingly, a “Messianic Jew” is impossible, for he cannot conform to the gospel definition of a Christian. Zionism’s goal to gain Christian support for the “Zionist project” through their newly manufactured (and very deceptive) history has succeeded wonderfully, probably beyond their wildest hopes. We know that Christian Zionism has infiltrated the Christian church to an alarming degree when we hear God’s people proclaiming Zionist doctrine such as a Messianic reign from the physical location of Jerusalem. How many Christians think they are right in rejoicing and praying that “Israel” will be victorious and destroy the Palestinians? (Many years ago, I was one of those who rejoiced when Israel was victorious in slaughtering multiplied thousands of souls: “God is surely with them.”)

Christian doctrine is defined by the New Testament, not by the Jewish Oral Torah, the Mishnah nor by the Talmud, nor by man’s vivid and degenerate imagination.

Psalms 36:9 For with thee is the fountain of life: in thy light shall we see light.

#### End Notes:

1. See “A Jew?” Also, see *The Death of the Church Victorious*. In it, this writer traces the Jewish “millennial” history from the time it was first introduced to the church in the late 1700s to its almost total domination of Christian doctrine today. However, thank the Lord, Jewish millennialism seems to be waning as more people return to the Orthodox Reformed faith. Furthermore, we document therein how the “Bible Reading” method of Bible study used to support Jewish millennialism has been devastating to the Christian faith. See “Jewish Millennialism” in this book.
2. The Genesis 10 Table of Nations is developed in “Gog and Magog.” *Baker Bible Atlas*, pp. 35, 37. History is commonly rewritten by sinister men to control public policy. It has become increasingly difficult to find honest history about anything. The Turkic tribe of Ashkenazi proved to be experts at writing a new history for every needed detail. So detailed that they are able to claim Palestine as their homeland with world wide support.

6. The theologians of the first and second century also clearly stated the true nature of the Jew’s religion. Not only this writer but others have experienced the anger, mocking and ridicule of Judaized Christians; there appears to be a common characteristic spirit of anger among those who have accepted the Jewish Millennial hope.
7. We will see that a major building block in Judaism is its war against “Replacement Theology.” Premillennialism defends a Church/Israel distinction as

developed and defended in Judaism despite the clear teachings of Paul in Galatians.

16. <https://israeled.org/alexander-ii-assassinated/> The "May Laws" caused a mass emigration of Russian Jewry between 1881, and 1929, primarily to America and Palestine. More than 50% of the global Jewish population lived in Russia at that time. See "Zionism."

17. Sand, The Invention of the Land of Israel. On p. 29, Mr. Sand states: "My main goal in this book is to deconstruct the concept of the Jewish 'historical right' to the Land of Israel and its associated nationalist narrative, whose only purpose was to establish moral legitimacy for the appropriation of the territory."

19. The Power and Aims of international Jewry. US War Department Investigation, 1919, pp. 6, 8. "Note 2: The coming of a world war is predicted which the Jews are to secretly promote. The creation of the chaos of Bolshevism is described as to be worked out by Jews all over the world as a step

towards Jewish world dominion. For a fuller discussion of these and similar illustrations see Appendix B.” The documents referred to in 1919 were written before the WWI. Also, the various articles cited for further explanation have not been “found.”

“(a) There is, of course, a vast amount of material in the Department relating to this problem. Here, however, a mere outline will be sufficient to indicate the general tendencies. The following quotation will illustrate the widespread participation of Jews in all revolutionary movements:”

20. According to Benjamin Freedman, the Talmudic Zionists forced the US into both WWI & WWII in order to establish a “Jewish Homeland” in Palestine, *Zionism The Hidden Tyranny*, pp. 16, 17. In addition, Talmudic Judaism considers non-Jews “like an ass.” Talmud - Mas. Kethuboth 111a. PDF p. 4013. Thus, there is no more concern about killing a non-Jew than killing an ass. The Talmud considers the lives of non-Jews as less than nothing, and totally disposable for the Zionist’s cause.

21. Sand, *The Invention of the Jewish People*, p. 70. The 2009 translation of the 1140 AD *The Kuzaria* has played a major role in creating the new fake history for our day.

22. *Ibid.*, p. 236.

23. We discuss elsewhere the steps taken by the Ashkenazim to erase their vile past.

24. Sand, *Ibid.*, p. 187. The Judean peasantry were the legitimate heirs to Israel, and thus to Palestine.

25. Baker’s Bible Atlas, p. 35, gives the map of this astonishingly large and great Khazar Kingdom that, of necessity, had to be erased from history. Baker’s Chart of Table of Nations According to Genesis 10, p. 39. (Doubtful? Check Baker’s map and Table of Nations. History has been subtly changed, rewritten by the Enemy, 2 Cor 11, and the New Israel of God, the Gospel Church robbed of her assurance of victory as promised in Gen 3:15, Rom 4:13. Believing lies and deceits the church hides in the corner, vainly waiting for the Jewish Messiah to come reign on the throne of David from Jerusalem. Meanwhile, they support the antichrist with money and blood in his effort to destroy them.)

26. Psalms 2 clearly defines the war against Christ. See also Ez 38, 39. The Geneva notes in Ps 2 identifies the chief enemy of the Gospel Church to be the Ashkenazi Jews, i.e., Gomer and his bands.

27. Geneva footnote. “Judicial Blindness” is upon the apostate church.

28. *The Power and Aims of international Jewry 1919*. US War Department Investigation, p. 6. Though the Protocols are, according to Jewish sources, considered a “forgery,” one cannot deny that the many things outlined in them have taken place since 1900.

29. Talmudic Zionism's heavy hand in forcing, and even financing wars such as WW I & II is not without abundant documentation. However, the Talmudic Zionist's involvement is almost totally ignored, and fear has kept their involvement out of public view. The purpose of their created wars was to dispossess the Palestinians, force Jews to move there and take possession of the Holy Land. The Zionist's goal was finally accomplished after multiplied tens of thousands, even millions of people were slaughtered. However, they created another war between the dispossessed Palestinians from whom they took the land and the Children of Ashkenaz who were imported into Palestine. Our present goal is not to investigate WW I & II, but we do encourage the reader to learn the truth behind those wars. Read the full text of the 8 lectures by Anelauskas. [https://archive.org/stream/ZionismAndRussia-ValdasAnelauskas/ZionismAndRussia-Zionismandrussia-anelauskas\\_djvu.txt](https://archive.org/stream/ZionismAndRussia-ValdasAnelauskas/ZionismAndRussia-Zionismandrussia-anelauskas_djvu.txt). He is not the only one to reveal that the Talmudic Zionists forced the wars. Mr. Freedman, who shortly after WWII spoke from the very highest echelons of Zionism, gives the same account, as do countless others. The Zionists' control the vast majority of all forms of media and publishing, which allow them to create and document any needed new history. Thus, they can control or almost hide all accounts of Zionist's total involvement in world events. That control advances only what they want the public to believe. The full text of the 8 lectures can be downloaded. Mr. Anelauskas' lectures are a very shocking and enlightening read. Mr. Freedman's and his account of Zionists influence in the wars are also freely available.

33. Sand, *The Invention of the Jewish People*, p. 16. As we quote the various dates used by the reconstructors, one will find that the dates do not match.

34. Kertzer, op. cit., p. 269. Jesus and the 12 Apostles were Judeans, men of the land of Judah, and were clearly Hebrews in the line of Abraham. They soundly condemned Judaism throughout their ministries, so why are Christians identifying with Judaism?
