

Bibliography

Our purpose in giving this huge amount of information is to establish the qualifications of the authors of the various books used to document these “Essays.” What we offer and document is completely beyond anything the average Christian has ever encountered, or even heard of, and has required many hours of research. And despite the facts presented by these competent authors in their various fields of endeavors, the facts will still be overruled by feeling and false teachings. In addition, these documented facts will draw the wrath of not on the *Ashkenazi Jews*, but also the wrath of Judaized self-professed Christians.

If you check on many of those listed below, you will find that the organizations designed to protect the public perception of Judaism spend a lot of ink debunking anything of a negative nature against Judaism and Zionism. However, it is impossible to dismiss original documents that confirm what the resources are saying, e.g., *Talmud*, *The Kuzari*, *Jewish Encyclopedia*, &c. In addition, an honest look at the history of the last few centuries will easily establish the truth of what the Talmudists are trying to deny.

Thankfully, there is a great effort to digitize many of the older public domain books before they become lost to history. Thus, many of the books below can be easily downloaded for those who want to see if what we are presenting is actually true. Archive.org and Project Gutenberg (https://www.gutenberg.org/wiki/Main_Page) is the “home” of many of those digitized books, and are free downloads.

Honest History is being erased and changed to support whatever evil is being promoted. However, we live in a wonderful day of technology, so those who want to know the truth behind whatever is being taught can learn the truth. The truth is out there in cyberspace. Admittedly, the Internet also provides a huge source of falsehood, so one must beware. Many these authors’ honest works are well past copyright laws. Therefore, we now have easy access to a vast amount of important and historical material in the public domain. Most of the books used in this research are available in downloadable digital form. (Those interest can find more honest works of past history than he can read. Though the downloads may be in PDF, they are easily converted to Word Processing programs.)

Since WWI, Zionists have controlled much of the publishing industry, text books, dictionaries, encyclopedias and all kinds of books in general, as well as having a very large influence over internet resources. With those resources, any negative Zionist information is immediately attacked, e.g., *The Protocols of the Learned Elders of Zion*. Several important and knowledgeable authors, both past and present, used in “Essays on Judaism” refer to the *Protocols*, such as Benjamin Freedman and Elizabeth

Bibliography

Dilling. We shall see that those attacks come from Talmudic sources that have been established to bring shame upon those who dare to reveal the truth behind Zionism, e.g., ADL. Those sources watch continually in order to vehemently attack any negative mention of Jews, especially against Zionism with charges of anti-Semitism.

Christians do not realize that we are in a serious theological war to the death over truth vs error.

Let me urge the reader to check **Stephin, Vladimir** further down in this Bibliography.

Brook, Kevin Alan. *The Jews of Khazaria*. Rowman & Littlefield Publishers. Lanham, Md. 1999. First paperback edition, 2010.

<http://www.khazaria.com/brook.html>

Leaked report: Israel acknowledges Jews in fact Khazars; Secret plan for reverse migration to Ukraine
The Jews of Khazaria chronicles the history of the Khazars, a people who, in the early Middle Ages, founded a large empire in eastern Europe (located in present-day Ukraine and Russia). The Khazars played a pivotal role in world history. Khazaria was one of the largest-sized political formations of its time, an economic and cultural superpower connected to several important trade routes. It was especially notable for its religious tolerance, and in the ninth century, a large portion of the royal family converted to Judaism. Many of the nobles and commoners did likewise shortly thereafter. After their conversion, the Khazars were ruled by a succession of Jewish kings who began to adopt the hallmarks of Jewish civilization, including the Torah and Talmud, the Hebrew script, and the observance of Jewish holidays. In this thoroughly revised edition of a modern classic, *The Jews of Khazaria* explores many exciting new discoveries about the Khazars' religious life, economy, military, government, and culture. It builds upon new studies of the Khazars, evaluating and incorporating recent theories, along with new documentary and archaeological findings. The book gives a comprehensive accounting of the cities, towns, and fortresses of Khazaria, and features a timeline summarizing key events in Khazar history. (Back Cover.)”
The Jews of Khazaria recounts the eventful history of the Turkic kingdom of Khazaria, which was located in eastern Europe and flourished as an independent state from about 650 to 1016. As a major world power, Khazaria enjoyed diplomatic and trade relations with many peoples and nations (including the Byzantines, Alans, Magyars, and Slavs) and changed the course of medieval history in many ways. Did you know that if not for the Khazars, much of eastern Europe would have been overrun by the Arabs and become Islamic? In the same way as Charles Martel and his Franks stopped the advance of Muslims at the Battle of Poitiers in the West, the Khazars blunted the northward advance of the Arabs that was surging across the Caucasus in the 8th century.

The Khazar people belonged to a grouping of Turks who wrote in a runic script that originated in Mongolia. The royalty of the Khazar kingdom was descended from the Ashina Turkic dynasty. In the ninth century, the Khazarian royalty and nobility as well as a significant portion of the Khazarian Turkic population embraced the Jewish religion. After their conversion, the Khazars were ruled by a succession of Jewish kings and began to adopt the hallmarks of Jewish civilization, including the Torah and Talmud,

Bibliography

the Hebrew script, and the observance of Jewish holidays. A portion of the empire's population adopted Christianity and Islam.

This volume traces the development of the Khazars from their early beginnings as a tribe to the decline and fall of their kingdom. It demonstrates that Khazaria had manufacturing industries, trade routes, an organized judicial system, and a diverse population. It also examines the many migrations of the Khazar people into Hungary, Ukraine, and other areas of Europe and their subsequent assimilation, providing the most comprehensive treatment of this complex issue to date. The final chapter enumerates the Jewish communities of eastern Europe that sprang up after the fall of Khazaria and shows that modern Jews from the former Russian Empire are descended from a mixture of German Jews, Czech Jews, Sephardic Jews, and Slavs but do not descend from Khazar Jews.

Dilling, Elizabeth, *Jewish Religion, The: Its Influence Today*. Her book has images of the original text she uses as found in Louis Finkelstein, “*The Pharisees, The Sociological Background of their Faith*,” 1938. Dilling refers quite often to the “*The Babylonian Talmud, Complete Soncino English Translation*,” so her references are easily verified in the digital copy. <http://come-and-hear.com/dilling/dcontents.html> ; <http://esau.today/wp-content/uploads/2017/11/THE-PLOT-AGAINST-CHRISTIANITY-JewReligionInfluenceToday.pdf>

“Elizabeth Dilling was a widely known critic of Judaism prior World War II until her death in 1967. In writing *Jewish Religion*, Ms. Dilling chose her research materials with care. Her primary source, the Soncino Talmud, was produced by the finest scholars of Judaism. The Rodkinson Talmud was a monumental work endorsed by Rabbi I. M. Wise, a pioneer of Reform Judaism. Rabbi Dr. Louis Finkelstein, author of *The Pharisees: The Sociological Background of Their Faith*, became president of the Jewish Theological Seminary of America shortly after his book was published, where he has remained for more than 30 years. Thus, Ms. Dilling's research spanned the best that Conservative, Orthodox, and Reform Judaism had to offer in the English language. She also drew from the 12-volume Jewish Encyclopedia, which, though a century old, still stands as a monument to Jewish mainstream scholarship; the 10-volume Universal Jewish Encyclopedia from the early 1940's; US Government State Department Records, The American Hebrew periodical, and other publications.” <http://come-and-hear.com/dilling/> Dilling (When her books were published **Elizabeth Dilling** was attacked as being 'anti-Semitic'. Without being aware of it, **Elizabeth Dilling** had stumbled upon the connection between the Jews and Marxism.):

— Bible-Dictionary, The Imperial

Freedman, Benjamin H. ... *Facts are Facts, The Truth About the Khazars* (the so-called Jews) Distinguishing between the “Jews”, and Hebrews who are Israelites ‘*A Jewish man writes about the Jews.*’

“The text of a letter Jewish businessman, Benjamin H. Freedman, wrote to a "converso" doctor, David Goldstein, in 1954. In it, he establishes the identity of the Jews, not as the semitic, Israelite people of The Bible, but rather as Khazars, a Turco-Mongolian people whose emperor converted them wholesale to Judaism in the 8th century." Freedman’s quotes are from one file which has no page numbers. They are easily found through the search engine.

<http://www.hugequestions.com/Eric/TFC/FreedmanFactsAreFacts.html>

(It seems that many of Freedman’s articles posted at various web sites are no longer available.)

<http://www.colchestercollection.com/titles/F/facts-are-facts.html> Facts are Facts I, II & III are all found in one file.

Mr. Freedman, *A Jewish man writes about the Jews*’ was a top Jewish Zionist, who converted to Catholicism after WWII, 1945. <https://zionistreport.com/2016/07/ebook-the-hidden-tyranny>, <http://www.rense.com/general47/facys.htm>, <https://archive.org/>

“Benjamin Harrison Freedman was born in 1890, and became a successful Jewish businessman of New York City who was at one time the principal owner of the Woodbury Soap Company. He broke with organized Jewry at the end of World War II, 1945. At least 2.5 million dollars was spent by Mr. Freedman to educate people about what he himself called ‘the Talmudic tyranny.’ Its stronghold was - and is - the United States of America. Mr. Freedman was “an insider” at the highest levels of Jewish machinations. Freedman became active in politics at an early age and became acquainted with many important people, as Bernard Baruch, Samuel Untermyer, Woodrow Wilson, Franklin Roosevelt, Joseph and his son John F. Kennedy. He personally interviewed at length seven presidents of the United States.”

“Regardless of what anyone anywhere and anytime in this whole wide world may say to the contrary, events of recent years everywhere establish beyond any question of a doubt that the Christian faith today stands with one foot in the grave and the other on a banana peel figuratively speaking of course. Only those think otherwise who deliberately shut their eyes to realities or who do not chose to see even with their eyes wide open. I believe you to be too realistic to indulge yourself in the futile folly of fooling yourself.”...

“When the day arrives that Christians can no longer profess their Christian faith as they profess it today

Bibliography

in the free world the Christian faith will have seen the beginning of its 'last days.' What already applies to 50% of the world's total population can shortly apply equally to 100% of the world's total population. It is highly conceivable judging from present trends. The malignant character of this malady is just as progressive as cancer. It will surely prove as fatal also unless steps are taken now to reverse its course. What is now being done toward arresting its progress or reversing its trend?"...

"In the existing crisis it is neither logical nor realistic to drive Christians out of the Christian 'fold' in relatively large numbers for the dubious advantage to be obtained by bringing a comparatively small number of so-called or self-styled 'Jews' into the Christian 'fold'."

Mr. Freedman's books are freely available for downloading. <https://zionistreport.com/2016/07/ebook-the-hidden-tyranny/> & <http://www.rense.com/general47/facys.htm>

Freedman, Benjamin H. *The Hidden Tyranny*, a 40 page pamphlet detailing of the Zionists' involvement in WW I & II, and details of the blackmail to move the US into those wars. Mr. Freedman gives us a slight glimpse of the hidden, modern workings of Talmudic Judaism, *i.e.* Zionism, in this Table of Contents:

1. Seven Masters of Deception; **2.** Controlling Policies of Mass Media; **3.** President Wilson Blackmailed; **4.** Justice Brandeis - The Pay Off; **5.** Lloyd George - A Zionist Tool; **6.** Edward M. House – Conspirator; **7.** Selecting America's Ally in WWI; **8.** Promoting Germans Victory and Stabbing Them in the Back; **9.** Worldwide Zionist Boycott against Nazi Germany; **10.** Franklin D. Roosevelt Manipulated; **11.** US Secretary of Defense Makes Startling Revelation; **12.** Conspirators Provoke Pearl Harbor Incident; **13.** A Pressured Eisenhower and Resolution 117; **14.** Eisenhower Fulfills the Zionist Demands in Middle East; **15.** John F. Kennedy Pledges Zionists; **16.** John F. Kennedy Enlightened on the Palestine Question; **17.** Neville Chamberlain and Ambassador Kennedy Sr; **18.** Lyndon B. Johnson and the so-called Six Day War; **19.** Controlling the US Vote in the United Nations; **20.** Rothschilds and the Suez Canal; **21.** Zionist Supervision Necessary to Control Middle East Situation; **22.** Rothschild Interests and "Chosen" Asiatic Jews.

Because Mr. Freedman lived during the time of the major Zionists' movements to claim Palestine as their own, we will refer to him often. Though we might refer to some of his points, it is not our purpose to reproduce Mr. Freedman's work, particularly when his books are freely available and extensively documented. Those who love this nation, who love the Lord, and who believe God's Word will find his material very "disquieting."

Freedman's *Hidden Tyranny* is different from the *Hidden Tyranny* found at justice4poland.com.

... **Facts are Facts II.** "The role the Talmud plays in 'Judaism' as it is practiced today is officially stated by the eminent Rabbi Morris N. Kertzer, the Director of Interreligious Activities of The North American Jewish Committee and the President of the Jewish Chaplains Association of the Armed Forces of the United States." This is an introduction to "Facts are Facts II" as posted at <http://biblebelievers.org.au/facts1.htm> & <https://biblicisminstitute.files.wordpress.com/2015/11/facts-are-facts-ii.pdf> The article goes on to develop various points from Kertzer's "What is a Jew."

... **Facts are Facts III** "The National Conference of Christians and Jews might look into the millions of dollars being invested today by so-called or self-styled 'Jews' to insure that the Talmud shall remain the axis of political, economic, cultural and social attitudes and activities of so-called or self-styled 'Jews' today, and future generations."

Halevi, Rabbi Yehuda, *The Kuzari*. Full title *The Book of Refutation and Proof in Support of the Abased Religion* (Arabic: كتاب الحجة والدليل في نصره الدين الذليل), also known as the Book of the Kuzari, (Hebrew: ספר הכוזרי) is one of the most famous works of the medieval Spanish Jewish philosopher and poet Judah HaLevi. He, spent 20 years writing it, completing it in 1140 shortly before his departure for Eretz-Yisrael, *i.e.*, Land of I. (*Kuzaria* p. 27.)

“*The Kuzari* was written by Judah HaLevi (Spain, 1075 – 1141). Originally written in Arabic, it describes how the king of the Khazars (an Asian tribe that converted to Judaism in the eighth century), in an attempt to determine which is the true religion, invites representatives of each of the three major religions to come and explain his beliefs. The group includes a Muslim imam, a Christian priest and a rabbi. The king won to Talmudic Judaism by the rabbi's arguments, and during the ensuing dialogue, the rabbi demonstrates the superiority of his faith by bringing clear proof to the biblical account of the giving of the Torah at Sinai, and explaining the commandments in rational terms. Instead of using complicated philosophical ideas, he bases his arguments on history, tradition, and common sense. In the introduction, the author states that the purpose of his work was to reply to the attacks of those who wish to denigrate Judaism. The *Kuzari* is considered one of the most important works of Jewish apologetica and has been reprinted many times in several languages.”

The Kuzari” is an 1140 AD account of the 7th century conversion of the Aryan Turkic Khazar tribe to Rabbinic or Talmudic Judaism, *i.e.*, Ashkenazi Jews who now laid claim the name of Jew and the land of Canaan. https://www.sefaria.org/Sefer_Kuzari?lang=bi. See *Kuzari-Jewish Philosophy and Principles for the history changing differences between the two English translations: 1905* by Hartwig Hirschfeld and **2009** by Rabbi Daniel Korobkin.

Important note: In the *Jewish Philosophy* chapter, we see how the 1905 translation of *The Kuzari* which is the 1140 AD account of the 7th century conversion of the Aryan Turkic Khazar tribe to Rabbinic Judaism, *i.e.*, Ashkenazi Jews, was retranslated in 2009 by Rabbi, Daniel Korobkin. The new translation dramatically changed the 1905 in order to make it more understandable to teach to the new students of Judaism. However, the 2009 translation changed the wording of the 1905 translation to be more favorable to the Zionist project.

Herzl, Theodore, *The Jewish State*. He presented his dream of a Jewish State in Palestine which was his project, pdf, p 10. The Dover edition, first published in 1988, is an unabridged, unaltered republication of the work originally published in 1946 by the American Zionist Emergency Council, New York. It is based on a revised translation published by the Scopus Publishing Company, New York, 1943, which was, in turn, based on the first English-language edition, *Jewish State*, translated by Sylvie d'Avigdor, and published by Nutt, London, England, 1896. The Herzl text was originally published under the title *Der Judenstaat* in Vienna, 1896. Download: http://www.zionism-israel.com/js/Jewish_State.html or <http://mideastweb.org/jewishstate.pdf>

Herzl, Theodore (/ˈhɜːrtsəl, ˈhɛrtsəl/[1] German: [ˈhɛʁtsl]; Hebrew: תֵּאוֹדוֹר הֶרְצֵל Te'odor Hertsel; Hungarian: Herzl Tivadar; Hebrew name given at his brit milah Binyamin Ze'ev (Hebrew: אָבִיבֶן בִּנְיָמִין),[2] also known in Hebrew as הַמְדִינָה הַזֹּהַר, Chozeh HaMedinah, lit. "Visionary of the State"; 2 May 1860 – 3 July 1904) was an Austro-Hungarian journalist, playwright, political activist, and writer who was the father of modern political Zionism. Herzl formed the Zionist Organization and promoted Jewish immigration to Palestine in an effort to form a Jewish state. Though he died before its establishment, he is known as the father of the State of Israel. His 1896 book lays out his plan to establish a Jewish State.

Hess, Moses, *Rome and Jerusalem. The last national question*. A “book published in 1862 in Leipzig. It gave impetus to the Labor Zionism movement. In his magnum opus, Hess argued for the Jews to return to the Land of Israel, and proposed a socialist country in which the Jews would become agrarianized through a process of "redemption of the soil". Public domain, Download from https://en.wikisource.org/wiki/Rome_and_Jerusalem

Hoffman III, Michael, *Judaism's Strange Gods*. (2002). “Independent History & Research. Michael A Hoffman II, historian and writer, is the founder of *Independent History & Research*. He was educated at the *University of New York* and is a former reporter for the New York Bureau of the *Associated Press*.” <http://www.realjewishnews.com/?p=20>

Obviously, Hoffman has been described by the Anti-Defamation League as a "Holocaust denier and anti-Semitic ideologue". The ADL is a Jewish front organization with their stated purpose to accuse all who do not meet Talmudic Judaism's standard. There is a vast amount of Christian support and money involved in this “Jew” issue; therefore, the “self-identified” Jews are using everything at their disposal to defend their hard-won turf. Several of Hoffman's books are freely available for download at <https://archive.org/>. His free downloadable books assume his love for the truth to counter the lies from every source imaginable. <http://www.realjewishnews.com/?p=20>USED has posted the text of an excellent interview with Mr. Hoffman.

Koestler, Arthur, *The Thirteenth Tribe, The Khazar Empire and its Heritage*. “Arthur Koestler [an *Ashkenazic Jew*, ed.] was a Zionist pioneer in his youth, even a close supporter of the Zionist right-wing leader Vladimir Jabotinsky, but grew disillusioned with the settlement project and the Jewish national movement. (Later he was a Communist, but grew to detest Stalin and became bitterly anti-Soviet.) Nevertheless, he continued to support the existence of the State of Israel, and was concerned about the Jewish refugees who flocked to it.” *The invention of the Jewish People*, pp. 237, 238. [Koestler] “began his education in the twilight of the Austro-Hungarian Empire, at an experimental kindergarten in Budapest. His mother was briefly a patient of Sigmund Freud's. In interwar Vienna he

Bibliography

wound up as the personal secretary of Vladimir Jabotinsky, one of the early leaders of the Zionist movement. Travelling in Soviet Turkmenistan as a young and ardent Communist, he ran into Langston Hughes. Fighting in the Spanish Civil War, he met W. H. Auden at a "crazy party" in Valencia before winding up in one of Franco's prisons. In Weimar Berlin he fell into the circle of the Comintern agent Willi Münzenberg, through whom he met the leading German Communists [and fellow-travelers] of the era, including Johannes Becher, Hanns Eisler and Bertolt Brecht. Afraid of being caught by the Gestapo while fleeing France, he borrowed suicide pills from Walter Benjamin. He took them several weeks later when it seemed he would be unable to get out of Lisbon, but he did not die. Along the way he had lunch with Thomas Mann, got drunk with Dylan Thomas, made friends with George Orwell, flirted with Mary McCarthy and lived in Cyril Connolly's London flat. In 1940 Koestler was released from a French detention camp, partly thanks to the intervention of Harold Nicolson and Noël Coward. In the 1950s he helped to found the Congress for Cultural Freedom, together with Melvin Lasky and Sidney Hook. In the 1960s he took LSD with Timothy Leary. In the 1970s he was still giving lectures that impressed, among others, the young Salman Rushdie.

The Thirteenth Tribe traces the history of the ancient Khazar Empire, which in the Dark Ages became converted to Judaism. Khazaria was finally wiped out by the forces of Genghis Khan, but evidence indicates that the Khazars themselves migrated to Poland and formed the cradle of Western Jewry... To the general reader the Khazars, who flourished from the seventh to the eleventh century, may seem infinitely remote today. Yet they have a close and unexpected bearing on our world which emerges as Mr. Koestler recounts the fascinating history of the ancient Khazar Empire, a major but almost forgotten power in Eastern Europe at about the time that Charlemagne was Emperor in the West. The Khazars' sway extended from the Black Sea to the Caspian, from the Caucasus to the Volga, and they were instrumental in stopping the Muslim onslaught against Byzantium, the eastern jaw of the gigantic pincer movement that in the West swept across northern Africa and into Spain.

Thereafter the Khazars found themselves in a precarious position between the two major world powers: the Eastern Roman Empire in Byzantium and the triumphant followers of Mohammed. As Mr. Koestler points out, the Khazars were the Third World of their day, and they chose a surprising method of resisting both the Western pressure to become Christian and the Eastern to adopt Islam. Rejecting both, they converted to Judaism.

"The story of the Khazar Empire, as it slowly emerges from the past, begins to look like the most cruel hoax which history has ever perpetrated." (Back Cover)

(Hebrew: מהי ומתי הומצא ואיך מתי היהודי העם הומצא ואיך מתי?, translit. Matai ve'ech humtza ha'am hayehudi?, literally *When and How Was the Jewish People Invented?*) is a study of the historiography of the Jewish people by Shlomo Sand, Professor of History at Tel Aviv University. It has generated a heated controversy. The book was in the best-seller list in Israel for nineteen weeks. ...

https://en.wikipedia.org/wiki/The_Invention_of_the_Jewish_People

His charismatic, readable style was evident in his previous book *The Invention of the Jewish People*, the English edition of which kicked up quite a controversy in 2009. The title alone seemed designed to shock. But in fact Sand was arguing a fairly banal truism: there is no such thing as a unified, national "Jewish people." As a globalized religious community (due to proselytizing before the rise to power of Christianity in the fourth century) there are instead multiple different Jewish communities across the world.

— *The Invention of the Land of Israel. From Holy Land to Homeland*. First English Translation, 2012. Published by Verso, NY. Mr. Sand states: "My main goal in this book is to deconstruct the concept of the Jewish 'historical right' to the Land of Israel and its associated nationalist narrative, whose only purpose was to establish moral legitimacy for the appropriation of the territory." P. 29

Shahak, Israel and Mezvisky, Norton. *Jewish Fundamentalism in Israel*, Pluto Press, 1999. Israeli Scholar Israel Shahak and American Jewish writer Norton Mezvisky. Acclaimed writer and human rights campaigner Israel Shahak was, up until his death in 2001, one of the most respected of Israel's peace activists – he was, in the words of Gore Vidal, 'the latest – if not the last – of the great prophets.' Written by Shahak together with American scholar Norton Mezvisky, this books shows how Jewish fundamentalism in Israel, as shown in the activities of religious settlers, is of great political importance. There are several downloadable versions of *JFI*. Quotes can be found by searching any version, e.g ., http://ipk-bonn.de/downloads/Jewish_Fundamentalism_in_Israel.pdf

Stephin, Vladimir, *The Nature of Zionism*, Published in Moscow, 1993. Translated into English by Clive Lindhurst. <https://archive.org/details/VladimirStepinTheNatureOfZionism1993>

BY MEANS OF TERROR Leyba Davidovich Trotsky, whose real name was David Bronstein, said: "We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. "We mean the word 'red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia - officers, academics and writers!..." Taken from the "Memoirs" of Aron Simanovich, a jeweller at the court of the Tsar's Imperial Majesty. From the newspaper "Russkoye slovo", No. 1.

Talmud, The. Soncino Press, a Jewish publishing house has published the official and unabridged English-language 26 volume *Babylonian Talmud*. <https://onlinebooks.library.upenn.edu/webbin/book/lookupname?key=Waite%2C%20Arthur%20Edward%2C%201857-1942>).

Arthur Edward Waite (October 1857 – 19 May 1942) was an American-born British poet and scholarly mystic who wrote extensively on occult and esoteric matters. He was an occultist and co-creator of the popular and widely used Rider-Waite Tarot deck and author of its companion volume, the *Pictorial Key to the Tarot*. This was notable for being one of the first decks to illustrate all 78 cards fully, as opposed to the 22 major arcana.

Waite was a prolific author with many of his works being well received in academic circles. He wrote occult texts on subjects including divination, Rosicrucianism, freemasonry, black and ceremonial magic, Kabbalism and alchemy; he also translated and reissued several important mystical and alchemical works. His works on the Holy Grail, influenced by his friendship with Arthur Machen, were particularly notable. A number of his volumes remain in print, *The Book of Ceremonial Magic*, *The Holy Kabbalah*, and *New Encyclopedia of Freemasonry* having seen reprints in recent years.
